Note 1: DN=does not meet expectations; A=approaches expectations; M=meets expectations; E=exceeds expectations; ME=meets and exceeds expectations; N=Not Applicable. Schools are ranked within level by percent meets and exceeds expectations.

Note 2: These statistics may differ from those in state and federal accountability results. They were calculated based on where students tested regardless of school entry date. Home school students were excluded.

Note 3: In 2026, ELA and Math were administered to students in grades 3-8. Science was administered in grades 4 and 6 only. Social Studies was not administered.

Note 4: In 2026, SCDE identified a group of 6th-8th grade students who completed the mathematics assessment sections in an order that differed from the required administration sequence. As a result, these mathematics assessments were invalidated and scores were not reported. This report does NOT include the invalidated tests.

Note 1: DN=does not meet expectations; A=approaches expectations; M=meets expectations; E=exceeds expectations; ME=meets and exceeds expectations; N=Not Applicable. Schools are ranked within level by percent meets and exceeds expectations.

Note 2: These statistics may differ from those in state and federal accountability results. They were calculated based on where students tested regardless of school entry date. Home school students were excluded.

Note 3: In 2026, ELA and Math were administered to students in grades 3-8. Science was administered in grades 4 and 6 only. Social Studies was not administered.

Note 4: In 2026, SCDE identified a group of 6th-8th grade students who completed the mathematics assessment sections in an order that differed from the required administration sequence. As a result, these mathematics assessments were invalidated and scores were not reported. This report does NOT include the invalidated tests.
