

Norview High School SOL Testing Transparency Statement

Norfolk Public School's district Standards of Learning (SOL) upcoming test window is listed below. Each school selects their testing dates within the division window. Be advised, all dates are subject to change due to circumstances.

- Fall Writing SOL (English 11- High School): October 20-21

SOL tests measure achievement of the Virginia Standards of Learning in grades 3 through End-of-Course (high school). In addition, at the End-of-Course level SOL tests are required to verify credit for graduation. The SOL tests continue to be required to administer in a face-to-face setting. All will be administered online, unless otherwise indicated via a school committee.

The Parent Portal is a system that will allow parents to log in to see their child's test scores. Scores and Score reports will be available in ParentVUE under documents.

Below is Norview High School's testing schedule for the Fall Writing test window:

Test dates: October 20-21

Makeups: October 27-28

If your student continues to be learning in a virtual environment, you will be contacted by school staff to discuss individual test dates.

If you have any questions or concerns about your child's participation in SOL testing, please contact Dr. Smith at your child's school.
