JTHS GOOD NEWS - September 2026

Welcome to Jefferson Township High School

~ Celebrating Our History ~

Class of 2030 –

So hard to grasp that our incoming Freshmen will be graduating in 2030!

Welcome to all our Falcon Freshman!

FBLA –

On June 28th, 2026 three FBLA students from JTHS embarked on a journey to San Antonio, Texas to compete at the National level of FBLA. Our chapter took home our second consecutive Silver Champion award for our efforts over the course of the 25-26 FBLA year.

Thank you **Bobby Rysdeck** and **Kendall Johnson**
for the beautiful artwork welcoming everyone back!

SENIOR YEAR BEGINS –

Some of our seniors starting off their senior year by painting their parking spots.
Welcome Seniors – it's going to be a great year!

Thank you –

Eric Hokenberg -

Senior **Eric Hokenberg** demonstrated extraordinary courage and compassion last week when a six-year-old student was reported missing from his home. Eric and his father immediately decided to join the search for the young boy. Their search led them to Lake Hopatcong, where they located the child clinging to something in the water. Without hesitation, Eric and his father sprang into action, and Eric bravely entered the water to rescue the boy. Thanks to their quick thinking, courage, and willingness to help, the child was brought to safety. Last night, Eric and his father were honored by our Superintendent, Mr. Burkholder, and our Mayor during the Town Council meeting in recognition of their heroic actions and selfless service to our community.

Congratulations –

Ms. Alice Daken on graduating from Fulbright Teachers of Global Classrooms program.

Remembering 9/11 –

So hard to believe it has been 25 years. We remember and honor all those affected by the tragedy.

**ALL IN WITH
FALCON PRIDE**
