MICHIGAN Department of Education

FY26 Section 31a

Annual District Transparency Report

Byron Area Schools

1. What was the total amount of the district's Section 31a allocation for the 2025-26 school year?

   $610,937.36

2. Describe the district's methodology and decision-making for distributing Section 31a At-risk grant funds to target the buildings with the highest needs.

   The school district looks at multiple factors for targeting spending that include: Free and reduced lunch applications, attendance rates, truancy, state standardized test scores, credits earned (lacking credits), other factors that may be obstacles for students success.

3. What evidence-based interventions and services were implemented with the Section 31a At-risk grant funds during the 2025-26 grant cycle?

   Edmentum credit recovery for students falling behind in credits, summer school opportunities for all students k-12 using evidence based curriculum and certified educators to deliver the lessons.

4. In what ways has the district collected feedback from parents or legal guardians on these interventions and services provided this year?

   Perception data surveys, and town hall style meetings with the superintendent

5. Describe the method parents or legal guardians may use to provide feedback on the use of these funds.

   Surveys, and opportunities to meet with the superintendent to provide feedback to the district.
