CHOOSING YOUR PATH

Our school leaders will help you select the right learning mode for you or your student.

IN-PERSON COHORT

Students may join an in-person cohort meeting 2-3 times weekly on either Monday & Thursday OR Tuesday & Friday, as well as optional testing on Wednesday.

DROP-IN

Qualifying students completing coursework from home may qualify for opt-in meet-ups only.

ALL ONLINE

Qualifying students can learn entirely from home, communicating with school staff via email and video only.

CLASSES AVAILABLE

24/7

Using Subject's online platform,
assigned courses are available
24/7 to students.

*All courses have a highly qualified
teacher attached for support.*

CERTIFIED TEACHERS

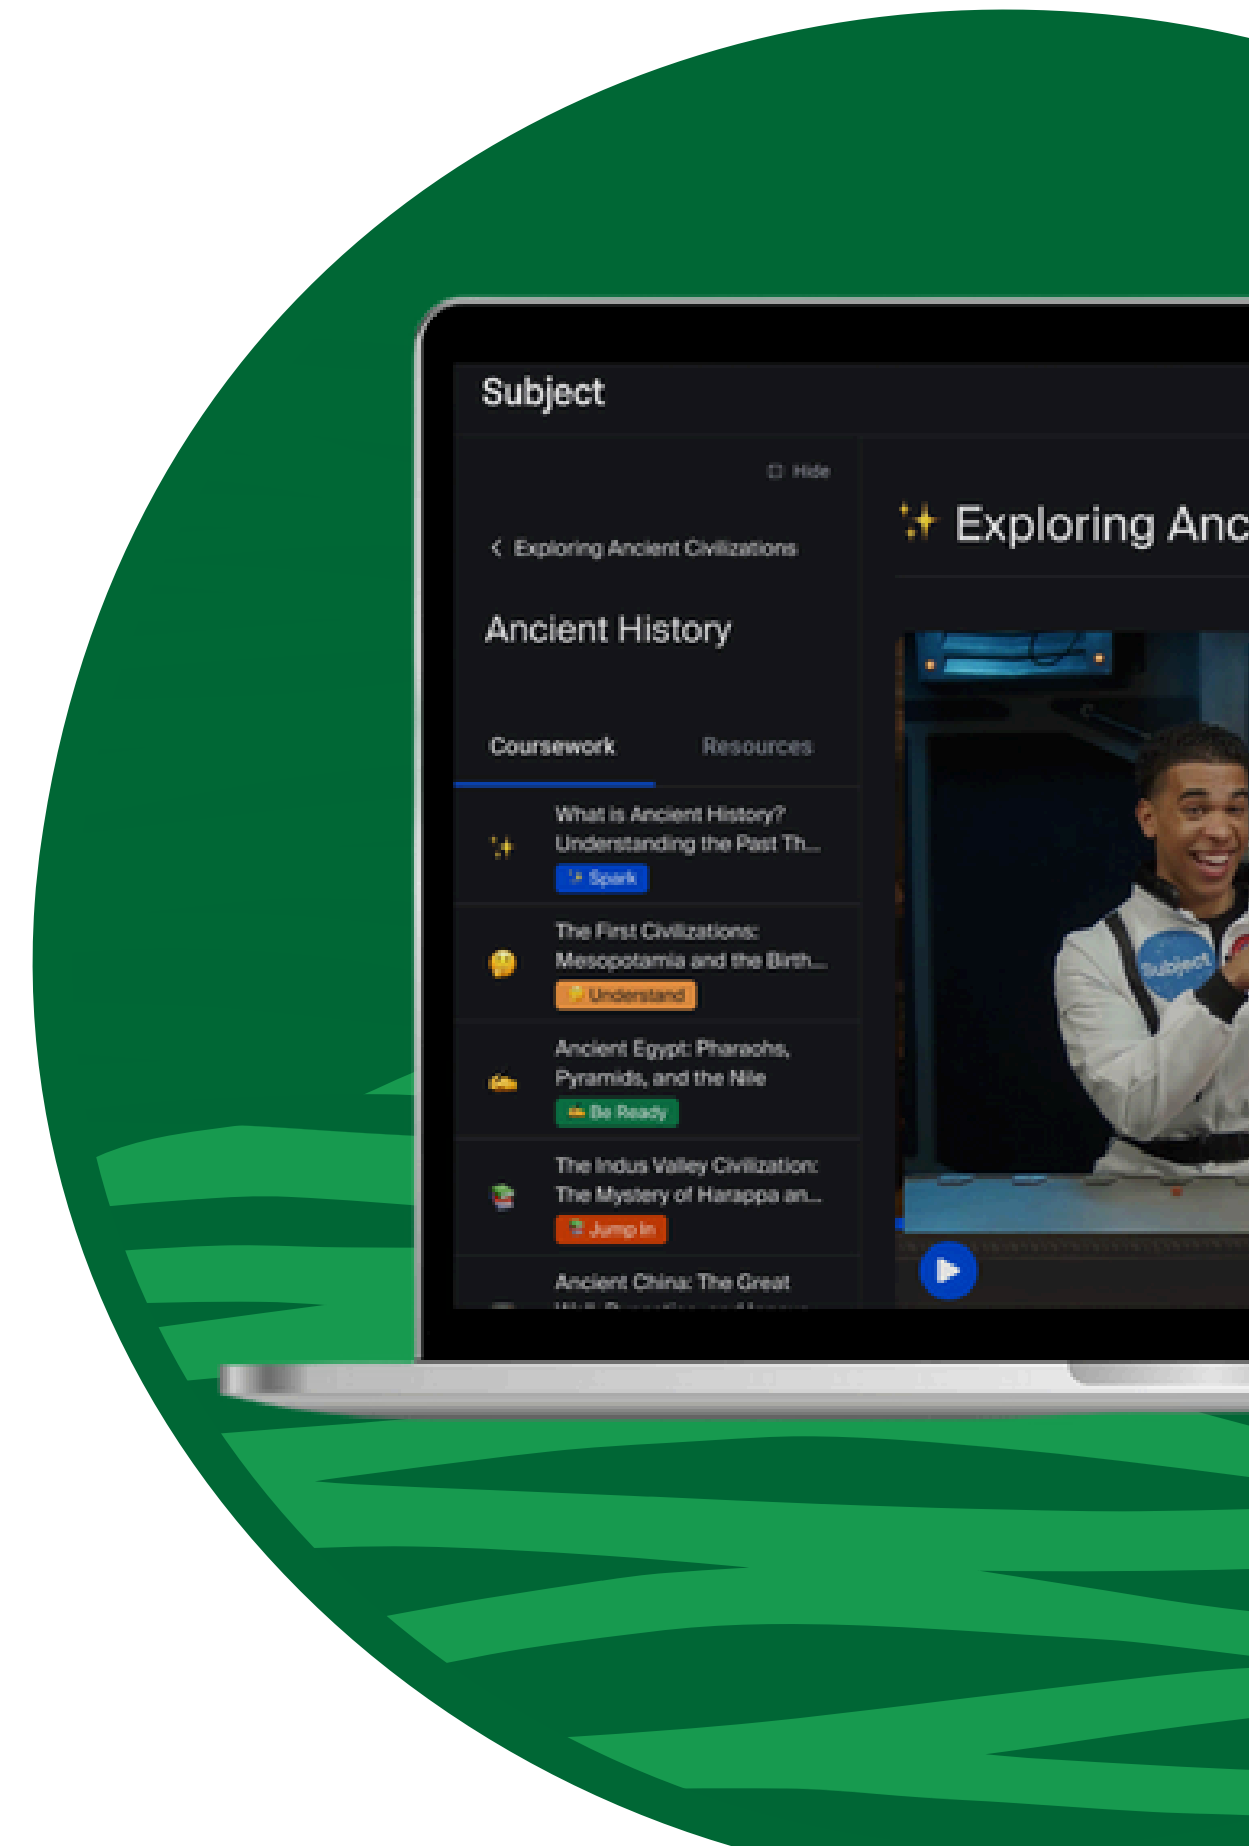

All courses have a highly qualified teacher attached for support.

All students must make weekly contact with staff to remain in the program. This can be made via email, phone, or in-person.

COURSEWORK

- Students will progress through courses at their own pace and begin each semester with 5 courses. Once a student completes those courses, more will be added depending on individual student needs.
- Once a course is open, it is expected that daily progress will be made and the course will be completed on or before the end date.
- Students will have access to in-person, virtual and email support from TLOC staff
- Students will earn letter grades for each Initial Credit course and will receive a G for Credit Recovery courses indicating credit was earned, or H indicating no credit if a course is not completed successfully.
- Students will move through courses according to an individualized schedule created with TLOC staff and supported by WBHS counselors.
