Dear Friends Of Berks Catholic,

As I Write This Letter To Our Many Generous Benefactors, I Do So With Much "Gratitude In My Heart" For The Many Blessings We Have Received From You In The Past Year. This Year Has Been Amazing Year Of Learning As I Began My Work At Berks Catholic. As I Have Experienced, If You Have Spent Any Time With Us At Berks Catholic You Know What An Amazing Community we have. Central to this amazing community is, of course, our Saints! They are inspiring! They are energetic! They are caring! They are curious! As they navigate life and the challenges they experience, Berks Catholic has become a safe place for them to learn, grow, struggle and succeed. Each day, they tackle whatever comes their way all the while doing their best to become women and men of faith, character and integrity.

At Berks Catholic, we strive to develop the entire individual. Yes, we want our students to excel academically and socially, but more profoundly, we want them to become the persons God intends them to be, who live their lives for the good of others and become contributing members of their Church and community – Saints! We can't do this alone. We rely on you, our many friends and supporters, who help us support our students.

The generosity and love that we experience from so many committed individuals allow us to do the work needed to help our students truly become Saints one day. Your generous commitment to Berks Catholic provides programs and financial aid opportunities but it does so much more. It allows us to teach and learn in a community committed to God, Family, Academics and Fun. These Four Pillars aren't just buzz words. They are who and what we are. You are very much a part of that. Without you, Berks Catholic would not be the school that it is today. As our school theme this year reminds us, "Together, we rise!" As we do so, it is our generous benefactors who lift us up.

As our Saints experience school, family, challenges and life, the road may get bumpy at times for them, but they know they can always count on Berks Catholic to be there for them because YOU have been there for Berks Catholic! What an example you have set for our students.

With sincere thanks and gratitude in my heart, I submit the 2022-2023 Annual Report. Thank you for being an integral part of the success of Berks Catholic High School. May God bless you and your families.

It's a great day to be a Saint!

With warm regards,

John P. Petruzzelli

Dear Donors,

Hello! My name is Xavier Gonzalez. I am a part of the 2024 senior class. I am taking the time to write this letter to thank all the donors for their generous donations to Berks Catholic. You have been extremely kind with your support of this great school. I am forever grateful for Berks Catholic, extremely proud to be attending here and proudly call myself a Saint.

I come from a low income and very religious family who always wanted me to attend a private school. They saved all the money they could to send me to Berks Catholic, and then the pandemic hit. As I struggled through the online option for school, this had a direct impact on me academically and mentally. The dedication of Berks Catholic to its students allowed for our doors to open sooner for me and fellow students and created an environment where we were able to flourish. Donations to support this post pandemic effort makes me forever grateful for the second chance at my academic life.

At one point during my enrollment here, my family was unable to financially pay for my tuition. This is where a miracle happened as one of our school's donors gifted the cost of my education to allow me to stay at Berks Catholic. This had a profound impact on me, it helped me see just how grateful I am for the donors who support this amazing institution. Without you, I wouldn't be writing this letter. Now I am doing amazing academically, my social life could be better, but it's amazing I can work on building my social skills in a friendly and safe environment. Berks Catholic is a community of friends and family that learn together. Students are always friendly and a joy to be around. Education isn't something to snooze on either. The lessons I learned at my time in Berks Catholic have had real world uses and affected my life in profound ways. I am glad to call myself a Christian after having my theology classes. Now I have been accepted into a college for my favorite subject, history. None of this would be possible without you.

My life has changed because of you, and I don't doubt there is a similar experience for other students here. So, on behalf of all the students, teachers, and faculty your donations helped, Thank you! You saved my academic future, made this school a safe and friendly place, and finally your donations help our academic community thrive and grow. Thank you!

With my whole heart and soul,
Xavier Gonzalez.

"Xavier is genuine, caring, kind, and selfless. "How are you" from him is a sincere inquiry into one's well-being, not merely a casual, verbal, head-nod. Because Xavier gives only his best, always, he prompts the good from others. Personally, he has, without knowing it, pushed me to work to be a better educator." **— Mr. Josh Ditsky**

angel letter

I, Amado Morales, would like to express my sincere gratitude on behalf of the whole Berks Catholic community for your kind donations in support of our school. This year as a Junior it is very important to challenge myself. I've been in Catholic School since first grade, and it's has been a blessing. Berks Catholic gives students many opportunities to become the best of themselves, mentally through learning and physically through sports. We greatly appreciate your ongoing support and congratulate your devotion to empowering students working to improve their educational experience.

The reason my family and I chose Berks Catholic was for the opportunities it gives and the faith it shows. Berks Catholic offers many challenging classes and competitive sports. I currently play Soccer and Lacrosse. They are both very competitive and amazingly fun. My family and I are very faithful and Berks Catholic does a fantastic job on showing their faith through their kindness, prayer, and the masses celebrated. We learn many new things of our Lord Christ our Savior. The classes teach us all about the Bible New and Old Testament. It truly helps me understand my religion and express it fully.

Academically, I currently have a 3.8 GPA while taking AP classes. I love challenging myself to become a better student. Currently I'm in a business club called DECA. It's an amazing club for learning all about business like finance, marketing, and many other skills. We are able compete against other schools in certain categories and last year in states, I won a state medal and look forward to defending myself again this year. My current favorite classes are AP U.S History, AP Biology, and Honors PreCalculus. The teachers are amazing, know how to form a bond with their students and excel at teaching the information to students so that we can fully understand our assignments and our topics.

Due to wonderful supporters like you, Berks Catholic continues to offer students and parents a faith-filled secondary education in Berks County. Every Berks Catholic student benefits greatly from your kind assistance, which also creates opportunities for our school. Your support of our goals and dedication to education allow us to keep offering a transformative learning environment where students can reach their full potential. Your support assures our community a better future and opens doors to countless opportunities. Once again, I want to thank you for your kindness and commitment to strengthening our community. Together, we are influencing Berks Catholic students' futures and creating a more promising future for everybody. GO SAINTS!

With the greatest appreciation,
Amado Morales

"Amado is a kind, responsible, and determined student. His class participation is commendable, and he is not afraid to ask for help when he needs it. He enjoys challenging himself and will not settle for anything less than mastery of the material. His desire to be involved is just one of the many ways that he shows his love for our school." **— Ms. Noelle Fromuth**

WAYS TO GIVE

Other Ways to Give

There are several different ways to support Berks Catholic High School. Below are the methods you can utilize to donate, and any of these gifts can be designated for the Annual Fund, Angel Scholarships, Extravaganza, Scholarship Endowment Fund, or the program of your choice.

EITC/OSTC

Businesses and individuals who meet the qualifications of an accredited investor can reallocate PA state tax dollars to help provide scholarships and financial aid to Berks Catholic students through the Educational Improvement Tax Credit (EITC) and Opportunity Scholarship Tax Credit (OSTC). The EITC and OSTC programs allow businesses and accredited individuals to receive a 90% tax credit (if donating for two consecutive years), for a donation that provides tuition assistance for families at Berks Catholic. Business owners can view information at **www.newpa.com/eitc** or **www.newpa.com/ostc**. For more information about qualifications to donate as an individual through our Special Purpose Entity (SPE) please contact Bob Birmingham at 610-374-8361 ext 224 or rbirmingham@berkscatholic.org

Gifts of Stock

If you have owned a stock for more than 12 months and it has appreciated in value during that time, you would incur a capital gains tax by selling it. However, if you give that stock to Berks Catholic as a gift, you avoid the capital gains tax and can also claim an income tax deduction for the full fair market value of the gift up to an amount equal to 30% of your adjusted gross income. Any unused deduction may be carried forward for up to five years. Electronic Transfers of Shares of Publicly Traded Stock and Mutual Funds Shares of publicly traded companies and mutual funds may be transferred electronically to Berks Catholic.

Matching Gifts

Matching gifts are a very important source of support. Thousands of companies and corporate foundations match gifts to non-profit institutions such as Berks Catholic. Also, matching gifts are a great way to increase support of Berks Catholic without additional out-of-pocket expense. You can double or even triple the value of your donation and enhance your total for giving society membership by simply notifying your employer of your gift to Berks Catholic. You may be eligible to submit matching gift claims from both your own and your spouse's employer for the same gift. Contact the human resources office at your employer, your spouse's employer, or even your former employer if you are retired to inquire about their matching gift program.

Planned Gifts/St. Nicholas Society

Leave your mark on Berks Catholic! A planned gift is a "forever gift," one that will live on for generations. It doesn't affect your current cash flow of assets and it is easy to change if your circumstances change. Plus, it may save you estate taxes later. You can make a planned gift in several ways:

- *Bequest*
- *Charitable Gift Annuity*
- *Charitable Remainder Trust*
- *Charitable Lead Trust*
- *Life Estate Reserve*
- *Insurance Policy Beneficiary*

If you have already included Berks Catholic in your estate plans, please let us know.

Qualified Charitable Distributions

Individual retirement arrangement (IRA) owners age 70½ or over can transfer up to $100,000 to their charity tax-free each year. These transfers, known as qualified charitable distributions or QCDs, offer eligible older Americans a great way to easily give to charity before the end of the year. And, for those who are at least 73 years old, QCDs count toward the IRA owner's required minimum distribution (RMD) for the year. Any IRA owner who wishes to make a QCD for 2023 should contact their IRA trustee soon so the trustee will have time to complete the transaction before the end of the year.

Advertising/Sponsorship Opportunities

Advertising/Sponsorship Opportunities include the Gym Banners, the Swing Fore the Saints Golf Outing, the Fall Program Book, Extravaganza, and the Spring Musical.

For more information about any of these ways to support Berks Catholic High School, please contact Sarah Hess at 610-374-8361 ext 231 or shess@berkscatholic org.

angel letter

Dear Donors,

As a part of the student body at Berks Catholic High School, I, Kingston McKoy, would like to take this time to thank you from the bottom of my heart for your generous contributions to our school community. Your support and generosity have had a significant effect on the academic paths of my own and those of my peers. I transferred to Berks Catholic into the class of 2026 as a freshman; this is just my second year at the high school. As I am in tenth grade now, I can say this was truly a great decision, all stemming from the beneficial gifts and donations from people like you.

Going into high school, my family and I made the decision to move from my previous school, Antietam, and start high school at Berks Catholic. Not only did I enroll, but my older brother, who is currently a senior, began to attend Berks Catholic High School last year. As a family, we chose Berks Catholic to enhance our athletic and academic development, which, through the resources you have provided us, has become possible. Here at Berks Catholic, I have formed unbreakable bonds not only with other students but with teachers as well. Teachers are not just pushing me to be the best in the classroom; they are pushing me to be the best version of myself. I was anxious about how I would fit in socially at the Catholic school before I moved, but ever since I arrived, the staff and students have made me feel completely at home. This welcoming nature allows me to truly focus on my academics and maintain good grades throughout the transition as well as high school. Your kindness has made it possible for kids like myself to flourish and confidently follow our passions. For me, a huge passion of mine is basketball, becoming a better player every day, and following my dreams. Your commitment to Berks Catholic has allowed the high school to fill every student with unforgettable memories and become the greatest representation of oneself.

Furthermore, as BC Saints, we would like to express our deepest gratitude for your consistent support of Berks Catholic High School. Not only has your kindness improved our school experience, but it has also modeled our personalities for the better and encouraged us to chase our dreams. We truly value the opportunities you have provided for us, and we will use the chances to strive for excellence in everything we do.

With sincerest gratitude,
Kingston Mckoy

"Kingston McKoy is currently in my 10th grade World Literature class. This year, on top of excelling on the basketball court, he is also challenging himself academically by moving up to the Honors level. His hard work is paying off in and out of class, and it is a pleasure to see him grow this year both as a student and athlete." **— Mr. Dave Staub**

Extravaganza

Extravaganza 2022 was held at Berks Catholic High School and online from September 27–October 8, 2022. This annual hybrid event is our biggest social fundraiser that both celebrates and advances the mission of Berks Catholic High School. Auction items were open for bidding on the event site beginning September 27, 2022 and the live event began on Thursday evening, October 6, 2022 with Family and Donor Night where parents, alumni and friends bid on silent auction items and the homeroom basket auction.

On Saturday evening, October 8, 2022 the dinner and auction were held, which included hors d'oeuvres, open bar, silent and live auctions, raffle drawing, music and entertainment. The Chairs were Susan & Mark McFadden. And we honored Dr. Frederick Ciabattoni, D.D.S, the 2022 Berks Catholic Distinguished Alumni Recipient. Extravaganza 2022 was a great success and raised over $240,000, including $90,688.24 toward the Emotional Appeal.

angel letter

Dear Donors,

On behalf of Berks Catholic High School, I Angie Morales would like to take this opportunity to recognize and appreciate the incredible donations you as donors have given to our amazing school. Your generosity is what builds and strengthens Berks Catholic to be a place of compassionate and dedicated students that are committed to graduating at the highest level. With your tremendous assistance, I am given the opportunity to attend a phenomenal school that provides a faith filled education that every catholic school student deserves.

Throughout my freshman year, I couldn't be more grateful and appreciative of my parents, two marvelous people who influence my life and teach me day by day how to be a better person. As immigrants from Mexico, they came to the U.S. in search of a place to provide a better life for their children. They believe that Berks Catholic provides me an education that I deserve, and although I am only a freshman and a student that still has much to learn, I can state that this is a school that I want to be part of.

Berks Catholic has influenced me to become a more respectful individual that values others. It teaches good principles and to be closer and more passionate about God. Your dedication towards our school is what makes students excited to learn and endeavor new things each day. With your support, I am committed to my education and to my extracurricular activities, including my favorite sport, lacrosse. Lacrosse helps me understand how to interact and support other students by learning the ways of teamwork and friendship. Sports and activities, such as lacrosse, provide all students with wonderful and lasting memories and friendships.

From the bottom of my heart, I would like to thank each and every donor, who has graciously assisted our school with your remarkable donations. Although it may not seem as much, each donation truly creates an impact on each student. Granting them with different educational opportunities that are certain to benefit their future.

Thank you for the consideration you donors have towards Berks Catholic, and our students. Berks Catholic is forever grateful for your incredible generosity that helps continue an amazing school.

With sincere appreciation,
Angie Morales

"Angie is a shining example of the best qualities a high school student can possess. She embodies the true spirit of compassion and generosity; her genuine kindness touches the heart of everyone around her inspiring others to pay it forward. Angie excels in her studies with a thirst for knowledge consistently going above and beyond. I am blessed to have her in my classroom." **— Mrs. Kelly Berry**

2022 Swing Fore the Saints Golf Outing

On September 26, 2022, Berks Catholic held the twelfth annual Swing Fore the Saints golf outing at the Berkshire County Club. The golf outing was hosted by Terrence J. McGlinn, Jr. (HN 1992) and his wife Kristin (Emkey) McGlinn (HN 1991). 175 golfers came out to enjoy a day of golf and to support Berks Catholic High School. All proceeds from the golf outing go toward financial aid for Berks Catholic students. Thanks to TJ and Kristin's generosity as well as the support of many sponsors and golfers, over $40,000 was raised in 2022.
