

NOTE TO SCHOOLS/LEAS: Please assist students and families filling out this form. The form should be included at the top page of registration materials that the district shares with families. Do not simply include this form in the registration packet, because if the student qualifies as residing in temporary housing, the student is not required to submit proof of residency and other required documents that may be part of the registration packet.

If **ANY box other than "In Permanent Housing"** is checked, then the student/family should be immediately referred to the MV Liaison. In such cases, **proof of residency** and other documents normally needed for enrollment **are not required** and the **student is to be immediately enrolled**. **After** the student has been enrolled, the district/school must contact the previous district/school attended to request the student's educational records, including immunization records, and the enrolling district's LEA liaison must help the student get any other necessary documents or immunizations.

NOTE TO SCHOOLS/LEAS: If the student is **NOT** living in permanent housing, please ensure that a Designation Form is completed.

INSTRUCTIONS FOR COMPLETING THE HOUSING QUESTIONNAIRE

Purpose of the Housing Questionnaire

All Local Education Agencies (LEAs) are required to identify students experiencing homelessness. LEAs include school districts, charter schools and BOCES. Additionally, all LEAs that receive Title I funds must ask enrolling students about their housing status. The New York State Education Department (NYSED) encourages all LEAs regardless of whether they receive Title I funds to do the same. To collect this information, LEAs may:

1. Use the Housing Questionnaire attached here,
2. Update/modify the Model Enrollment Form – Housing Questionnaire to address the needs of the LEA, or
3. Incorporate the housing status question from the Model Enrollment Form - Residency Questionnaire into the LEA's Enrollment Form or other documents already used by the LEA during the enrollment process.

If an LEA elects the third option and incorporates the housing status question into the LEA's Enrollment Form, the LEA should take steps to ensure that a student's housing status does not become a part of the student's permanent record, because of the sensitive nature of this information. Please see the section titled "Confidentiality" (below) for information about how and when housing information may be shared within the LEA.

Who should fill out the Housing Questionnaire?

A Housing Questionnaire should be filled out for all students enrolling in school and for all students who have a change of address in grades preschool-12. "Preschool" includes any LEA administered or funded preschool program, such as a pre-k or Head Start program administered by an LEA. The Housing Questionnaire should be completed by the student's parent, person in parental relation, or in the case of an unaccompanied youth, by the student directly.

Confidentiality

Student housing information should be kept confidential to the maximum extent possible. This information should only be shared with LEA/school staff members who need information about housing status to ensure that the student's educational needs are met. To this end, LEAs may share a student's Housing Questionnaire with LEA personnel such as:

1. the LEA liaison,
2. the registrar,
3. the student's teachers, and/or guidance counselor, and
4. the LEA staff member responsible for reporting data to SED

However, this information should only be shared with the above staff members to the extent that it will enable them to better meet the educational needs of the student in question and to fulfill reporting requirements mandated by SED.

Other than the above uses, housing information **should be kept confidential and should not be shared** with other LEA/school personnel due to its sensitive nature and the stigma attached to being labeled homeless. LEAs are also encouraged to seek out ways of preventing Housing Questionnaires and housing information from becoming a part of a student's permanent record.

Discussing the Housing Questionnaire with Students and Families

In reviewing the Housing Questionnaire with parents, persons in parental relation, and unaccompanied youth, LEAs should emphasize that the purpose of gathering the information is to ensure that students in temporary housing arrangements are provided with the rights and services to which they are entitled under the McKinney-Vento Act. These rights and services include:

1. The right to stay in the same school the student had been attending before losing his/her housing or the last school attended (both known as the school of origin),
2. The right to immediate enrollment for students who decide to transfer schools, even if the student does not have all of the documents normally for enrollment,
3. Transportation services if the student continues to attend the school of origin,
4. Categorical eligibility for Title I services if offered in the LEA,
5. Categorical eligibility for free meals if offered in the LEA, and
6. Access to services provided with McKinney-Vento funds if available in the LEA.

The LEA should also ensure that the parent, person in parental relation, unaccompanied youth is aware that the student's housing status will be kept confidential and will only be shared with those LEA staff who are responsible for providing services to the student and those responsible for keeping track of how many students are identified as living in temporary housing in the LEA.

LEAs are advised to explain to parents that if a parent claims that her/his child is living in temporary housing, and the LEA wishes to conduct an investigation to verify this information, the LEA may conduct a home visit. However LEAs **cannot contact a landlord or building superintendent** to verify a student's housing status without prior parental consent. Contacting a landlord or building superintendent without the parent's express prior written permission is a violation of FERPA, a federal law.

If the Parent, Person in Parental Relation, or Unaccompanied Youth Declines to Fill Out the Housing Questionnaire

If the parent, person in parental relation, or unaccompanied youth declines to complete the Housing Questionnaire, the LEA should note on the form that the parent, person in parental relation, or unaccompanied youth declined to provide the information requested.

Completing the Form

If a parent, person in parental relation, or unaccompanied youth enrolling in school indicates that a student is living in one of the five temporary housing arrangements, the school may not require proof to verify where the student is living before enrolling the student. The five temporary housing arrangements are listed below:

1. In a shelter,
2. With another family or other person (sometimes referred to as "doubled-up"),
3. In a hotel/motel,
4. In a car, park, bus, train, or campsite, or
5. Other temporary living situation.

After the student is enrolled and attending classes, the school or LEA is permitted to verify the student's housing arrangements. However, the student must first be enrolled in school. Again, LEAs **cannot not contact a landlord or building superintendent** to verify a student's housing status. (See above for more information.)

Definitions of Temporary Housing Arrangements

"With another family or other person" (also referred to as "doubled-up")

LEAs should be aware that students who are sharing the housing of others are eligible for services under the McKinney-Vento Act and State law, if sharing housing is due to loss of housing, economic hardship, or a similar reason.

"Other temporary living situation"

In addition to the four examples of temporary housing, students who lack a "fixed, adequate, and regular" nighttime residence are also covered as homeless under the McKinney-Vento Act and State law. This may include unaccompanied youth who have fled their homes or were forced to leave their homes and who do not otherwise meet the definition of "doubled-up."

"In permanent housing"

Permanent housing means that the student's living arrangements are "fixed, regular, and adequate."

Next Steps for LEAs with Students Living in Temporary Housing Arrangements

If the parent, person in parental relation, or unaccompanied youth indicates that a student is living in temporary housing, the LEA must complete a Designation Form. If the LEA believes additional information is needed before reaching a final decision on the student's eligibility under McKinney-Vento, enrollment should not be delayed and a Designation Form should still be filled out. For more information about determining eligibility see the National Center on Homeless Education's Determining Eligibility Brief, available at: http://nche.ed.gov/downloads/briefs/det_elig.pdf.

If a student who is identified as homeless was last permanently housed in a different school district, the district of attendance/local district will be eligible for tuition reimbursement from SED for the cost of educating the student. School districts should complete a STAC-202 form if eligible for tuition reimbursement. For more information about STAC-202 forms contact the STAC Office at 518-474-7116 or NYS-TEACHS at 800-388-2014.

ATENCIÓN ESCUELAS Y DISTRITOS: Ofrezca asistencia a los estudiantes y familias para completar este formulario. Este formulario debería de ser incluido como la primera página de los materiales de inscripción que el distrito comparte con familias. No incluya este formulario en el paquete de inscripción sin advertencias apropiadas. Por ejemplo, tendrá que cambiar partes del paquete de inscripción que requieren que se entreguen prueba de inscripción antes de matricular. Estudiantes elegibles según la Ley McKinney-Vento, no necesitan entregar prueba de residencia y otros documentos normalmente requeridos antes de matricular.

INSTRUCCIONES PARA COMPLETAR EL CUESTIONARIO DE VIVIENDA

Finalidad del Cuestionario de Vivienda

Se requiere que todos los distritos escolares (LEA, por sus siglas en inglés) identifiquen a los estudiantes sin hogar. Entre los distritos, se incluyen los distritos escolares, las escuelas autónomas subsidiadas por el gobierno y las Juntas de Servicios Educativos Cooperativos (BOCES, por sus siglas en inglés). Asimismo, todos los distritos que reciben fondos del Título I deben preguntarles a los estudiantes sobre su situación de vivienda. El Departamento de Educación del Estado de Nueva York (New York State Education Department, NYSED) alienta a todos los distritos a hacer lo mismo, independientemente de si reciben o no fondos del Título I. Para recopilar esta información, los distritos pueden hacer lo siguiente:

1. usar el Cuestionario de Vivienda adjunto aquí;
2. actualizar o modificar el Formulario Modelo de Inscripción - Cuestionario de Vivienda para abordar las necesidades del distrito; o
3. incorporar la pregunta sobre la situación de vivienda del Formulario Modelo de Inscripción - Cuestionario de Residencia en el Formulario de Inscripción del distrito u otros documentos que ya utilicen los distritos en el proceso de inscripción.

En caso de que un distrito elija la tercera opción e incorpore la pregunta sobre la situación de vivienda en el Formulario de Inscripción del distrito, el distrito debería tomar las medidas correspondientes para garantizar que la situación de vivienda del estudiante no forme parte del registro permanente del estudiante dado el carácter confidencial de dicha información. Consulte la sección llamada "Confidencialidad" (más abajo) para obtener información sobre cómo y cuándo se compartirá la información sobre la vivienda dentro del distrito.

¿Quiénes deberían completar el Cuestionario de Vivienda?

Todos los estudiantes que se inscriban en la escuela y todos los estudiantes que cambien de dirección desde jardín de infantes hasta 12.^o grado deben completar un Cuestionario de Vivienda. "Jardín de infantes" incluye cualquier programa de jardín de infantes financiado o administrado por el distrito, como preescolar o un programa Head Start administrado por un distrito. El padre, la madre o la persona en relación parental deben completar el Cuestionario de Vivienda o, en el caso de un joven sin acompañamiento, directamente el estudiante debe completarlo.

Confidencialidad

La información sobre la vivienda del estudiante deberá mantenerse confidencial en la mayor medida posible. Esta información debe compartirse únicamente con miembros del personal de la escuela o del distrito que precisen contar con información sobre la situación de vivienda para asegurarse de que se satisfagan las necesidades educativas del estudiante. A tal fin, el distrito podrá compartir el Cuestionario de Vivienda del estudiante con personal del distrito, a saber:

1. el enlace del distrito,
2. el funcionario del registro,
3. los maestros o asesores de orientación del estudiante, y
4. el miembro del personal del distrito responsable de informar datos al SED.

No obstante, esta información debe compartirse únicamente con los miembros del personal mencionados en la medida que les permita satisfacer de una mejor manera las necesidades educativas del estudiante en cuestión y cumplir con los requisitos de informes establecidos por el SED.

A excepción de los usos mencionados, la información sobre vivienda **debe mantenerse confidencial** y **no debe compartirse** con personal de otras escuelas o distritos debido al carácter de confidencialidad y al estigma asociado a ser catalogado como "sin hogar". Se invita también a los distritos a buscar distintas maneras de evitar que los Cuestionarios de Vivienda y la información sobre la vivienda pasen a formar parte del registro permanente de un estudiante.

Analizar el Cuestionario de Vivienda con Estudiantes y Familias

En el momento de revisar el Cuestionario de Vivienda con el padre, la madre, personas en relación parental y jóvenes sin acompañamiento, los distritos deben enfatizar que la información se recopila para garantizar que los estudiantes que poseen acuerdos de hogar temporal gocen de los derechos y servicios que se les otorgaron en virtud de la Ley McKinney-Vento. Los derechos y servicios incluyen lo siguiente:

1. el derecho a permanecer en la misma escuela a la que asistía el estudiante antes de perder su vivienda o en la última escuela a la que asistió (ambas conocidas como escuela de origen);
2. el derecho a inscripción inmediata para aquellos estudiantes que deciden cambiar de escuela, incluso si el estudiante no cuenta con todos los documentos que normalmente se exigirían para la inscripción;
3. servicios de transporte, en caso de que el estudiante siga asistiendo a la escuela de origen;
4. elegibilidad categórica para servicios del Título I, en caso de que se ofrezcan en el distrito;
5. elegibilidad categórica para comidas gratuitas, en caso de que se ofrezcan en el distrito; y
6. acceso a los servicios prestados con fondos de McKinney-Vento, en caso de estar disponibles en el distrito.

Asimismo, el distrito debería asegurarse de que el padre, la madre, la persona en relación parental o el joven sin acompañamiento sepan que la situación sobre la vivienda del estudiante se mantendrá confidencial y que solo se compartirá con el personal del distrito que sea responsable de prestar los servicios al estudiante y con los responsables de llevar un registro de la cantidad de estudiantes que se encuentran identificados como residentes en hogares temporales en el distrito.

Se recomienda a los distritos explicarles al padre o a la madre que, en caso de que el padre o la madre informe que su hijo(a) está viviendo en un hogar temporal, y el distrito quiera realizar una investigación para comprobar esta información, es posible que el distrito haga una visita al hogar. No obstante, el distrito **no puede ponerse en contacto con un propietario o superintendente del edificio** para corroborar la situación de vivienda de un estudiante sin el consentimiento previo del padre o la madre. Ponerse en contacto con un propietario o superintendente del edificio sin el permiso expreso previo y por escrito del padre o la madre constituye una violación de la Ley de Derechos Educativos y Privacidad Familiar (FERPA, por sus siglas en inglés).

Si el Padre, la Madre, la Persona en Relación Parental o el Joven Sin Acompañamiento se Niegan a Completar el Cuestionario de Vivienda Si el padre, la madre, la persona en relación parental o el joven sin acompañamiento se niegan a completar el cuestionario de vivienda, el distrito debería indicar en el formulario que el padre, la madre o la persona en relación parental o el joven sin acompañamiento, se negaron a brindar la información solicitada.

Completar el Formulario

Si el padre, la madre, la persona en relación parental o el joven sin acompañamiento que realizan la inscripción en una escuela indican que el estudiante está viviendo en uno de los cinco acuerdos de hogares temporales, no será necesario que la escuela verifique dónde está viviendo el estudiante antes de inscribirlo. Los cinco acuerdos de hogares temporales se mencionan a continuación:

1. en un refugio;
2. con otra familia u otra persona (a veces conocido como “vivienda compartida”);
3. en un hotel/motel;
4. en un carro, parque, autobús, tren, o camping; u
5. otra vivienda temporal.

Una vez que el estudiante está inscrito y asiste a clases, la escuela o el distrito pueden corroborar los acuerdos de vivienda del estudiante. No obstante, primero debe inscribirse al estudiante en la escuela. Una vez más, los distritos **no pueden ponerse en contacto con un propietario o superintendente del edificio** para corroborar la situación de vivienda de un estudiante. (Ver arriba para más información.)

Definiciones de Acuerdos de Hogar Temporal

“Con otra familia u otra persona” (a veces conocido como “vivienda compartida”)

Los distritos deberían saber que los estudiantes que comparten la vivienda con otros son elegibles para acceder a los servicios establecidos en virtud de la Ley McKinney-Vento y la ley del Estado, en caso de que la situación de vivienda compartida se deba a la pérdida de vivienda, dificultades económicas u otro motivo similar.

“Otra vivienda temporal”

Además de los cuatro ejemplos de hogar temporal, los estudiantes que no tienen un lugar de residencia nocturna “fijo, adecuado y regulares” también se encuentran cubiertos bajo la categoría “sin hogar” en virtud de lo establecido en la Ley McKinney-Vento y la ley del Estado. Esto podría incluir a jóvenes sin acompañamiento que huyeron de su hogar o que se vieron obligados a dejar su hogar y que, de otro modo, no se ajustan a la definición de “vivienda compartida”.

“En un hogar permanente”

Por hogar permanente se hace referencia a que los acuerdos de hogar del estudiante son “fijos, adecuados y regulares”.

Próximos Pasos para los Distritos con Estudiantes que Viven en Acuerdos de Hogar Temporal

Si el padre, la madre, la persona en relación parental o el joven sin acompañamiento indican que el estudiante está viviendo en un hogar temporal, el distrito debe completar un Formulario de Designación. En caso de que el distrito considere que se requiere más información antes de tomar una decisión final sobre la elegibilidad del estudiante en virtud de McKinney-Vento, no debería demorarse la inscripción y debería completarse de todos modos un Formulario de Designación. Para más información sobre cómo se determina la elegibilidad, consulte el documento *Cómo Determinar la Elegibilidad del National Center on Homeless Education* (Centro Nacional de Educación para los Niños y Jóvenes sin Hogar) disponible en:

http://nche.ed.gov/downloads/briefs/det_elig.pdf.

Si el estudiante a quien se identifica como “sin hogar” reside en un hogar permanente en otro distrito escolar, el distrito de asistencia o el distrito local será elegible para acceder a un reembolso de la matrícula por parte del SED por el costo de la educación del estudiante. En caso de resultar elegibles para un reembolso de la matrícula, los distritos escolares deberían completar un formulario STAC202. Para más información sobre los formularios STAC202, póngase en contacto con la Oficina de STAC al 518-474-7116 o con NYS-TEACHS al 800-388-2014. Rev. 9-28-21

Grand Island Central School District Responsible Use Procedure for Technology

Computer Usage:

In order to become a user of the Grand Island Central School District's computer facilities, equipment, and internet accounts, I understand it is necessary to comply with all District regulations for the use of technology as presently enforce and as may be amended from time to time. A violation of the Responsible Use Procedure for Technology may result in the loss of computer privileges, disciplinary action and / or prosecution. I further understand that access to the computer facilities will include filtered access to the Internet.

7315 Student Use of Computerized Information Resources (Acceptable Use Policy)

The Board of Education will provide access to various computerized information resources through the District's computer system ("DCS" hereafter) consisting of software, hardware, computer networks and electronic communications systems. This may include access to electronic mail, so-called "on-line services" and the "Internet." It may include the opportunity for some students to have independent access to the DCS from their home or other remote locations. All use of the DCS, including independent use off school premises, shall be subject to this policy and accompanying regulations. Further, all such use must be in support of education and/or research and consistent with the goals and purposes of the School District.

I understand that individuals and families may be liable for violations of District policies and procedures for such use. While every reasonable effort will be made by school district personnel to monitor proper usage and provide Internet filters to questionable materials, I also accept responsibility for guidance of Internet use – setting and conveying standards for my son/daughter to follow when selecting, sharing or exploring information and media. Internet access is a privilege. Students who abuse the acceptable use of technology on the Internet will be removed from access.

I have reviewed the Grand Island Central School District Responsible Use Procedure for Technology above with my son/daughter. In consideration of the privilege of using the Grand Island Central School District networks and in consideration for having access to the information contained on them and an Internet account, I release the Grand Island Central School District from any claims of any nature arising from my son/daughter's use of the Internet.

Request To Deny Computer Usage:

In order to achieve the career development and occupational learning standards articulated by the New York State Department of Education, students will be provided access to instructional materials and processes only available through the use of computers. I understand that if I do not request, in writing, that my child is not to use computers, an account will be created to facilitate such access.

Dental Health Certificate

Parent/Guardian: New York State law (Chapter 281) permits schools to request an oral health assessment at the same time a health examination is required. Your child may have a dental check-up during this school year to assess his/her fitness to attend school. Please complete Section 1 and take the form to your registered dentist or registered dental hygienist for an assessment. If your child had a dental check-up before he/she started the school, ask your dentist/dental hygienist to fill out Section 2. Return the completed form to the school's medical director or school nurse as soon as possible.

I understand that by signing this form I am consenting for the child named above to receive a basic oral health assessment. I understand this assessment is only a limited means of evaluation to assess the student's dental health, and I would need to secure the services of a dentist in order for my child to receive a complete dental examination with x-rays if necessary to maintain good oral health.

I also understand that receiving this preliminary oral health assessment does not establish any new, ongoing or continuing doctor-patient relationship. Further, I will not hold the dentist or those performing this assessment responsible for the consequences or results should I choose NOT to follow the recommendations listed below.

Procedures for Administering Medications

Only those medications which are necessary to maintain the student in school and which must be given during school hours should be administered. Any student who is required to take medication during the regular school day or while participating in school-sponsored activities (e.g., field trips, athletics) should comply with all procedures.

The following procedures for administering medications must be followed to provide safeguards and protection for your child's health. This policy has been implemented district wide. Your school nurse must follow these district regulations for any student who takes medication during the school day.

- **Medication must be brought to school by the parent.** Students are not permitted to transport prescription or over-the-counter medication to school. It must be kept in a container appropriately labeled (by the pharmacy and/or licensed healthcare prescriber). Parents may obtain two labeled containers from the pharmacy, one for home and one for school.
- **Written orders signed by a licensed healthcare prescriber and instructions by the pharmacist must accompany the medication.** These instructions must include the student's name, the name of the medication, the dosage, the route (the way it is to be given), frequency, duration, and any possible side effects. A copy of the prescription and over-the-counter medication request form is available in the Health Office and on the district's website.
- **Written permission from the parent must be submitted and kept on record in the Health Office requesting that the school district comply with the licensed healthcare prescriber's signed medication orders.**
- **These procedures must be followed for all prescription and all over-the-counter medications. This includes all cough drops, lozenges, lip balms, skin creams, analgesics, etc.** Over-the-counter medications must be in a manufacturer's labeled container.
- **During field trips or other school activities, the school nurse will advise classroom teachers in regards to procedures.**
- **When purchasing Diphenhydramine (otherwise known as Benadryl) as prescribed by your healthcare provider, please consider buying tablets or fastmelts rather than liquid (for easier transport during field trips)**
- **Students assessed by their licensed healthcare provider as being an independent student may carry and self-administer an inhaler or epi-pen.**
- **Supervised students may carry and use their sunscreen at school as long as they have written permission from the parent or guardian to carry and use sunscreen. Supervised means they are able to recognize that it's sunscreen, know why they are using it, and are able to independently apply the sunscreen. (does not apply to Sidway students)**
- **Any medication that is not picked up by an adult at the end of the school year will be discarded by the school nurse, as per New York State guidelines.**
- **These procedures will be strictly enforced for your child's protection**

I understand that: providing consent will not impact my child's/my Medicaid coverage; upon request, I may review copies of records disclosed pursuant to this authorization; services listed in my child's IEP must be provided at no cost to me whether or not I give consent to bill Medicaid; I have the right to withdraw consent at any time; and the Grand Island CSD must give me annual written notification of my rights regarding this consent.

I also give my consent for the Grand Island CSD to release the following records/information about my child to the State's Medicaid Agency for the purpose of billing for special education and related services that are in my child's IEP. The following records will be shared.

January, 2023

Dear Parent/Guardian:

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student educational records. Educational records subject to this protection include all academic, attendance, health, guidance and special service reports. FERPA requires schools to inform parents and students annually of these rights, such as by this notice for the current school year. Under FERPA, parents and students over 18 years of age ("eligible students") have the following rights:

- (1) Parents and eligible students have the right to inspect and review the student's educational records within 45 days from the date in which the school receives a request for access.**

Parents or eligible students who wish to review their records should submit a written request that identifies the record(s) they wish to inspect to the school principal or other appropriate "school official." A "school official" is a person employed by the district as an administrator, supervisor, instructor or support staff (including health or medical staff and law enforcement personnel), school board member, or a person or company with whom the district has contracted to perform a specific task (such as attorney, auditor, medical consultant, therapist or evaluator).

After processing the written request for inspection of a student's education records, the school official will make arrangements for the access and notify the parent or eligible student of the time and the place where the records may be inspected. A copy fee of \$0.25 per page may be charged provided that such fee does not effectively prevent parents or eligible students from exercising their rights to inspect and review these records.

- (2) Parents and eligible students have the right to request the amendment of the student's educational records that the parent or eligible student believes to be inaccurate, misleading or otherwise in violation of the student's privacy rights under FERPA.**

Parents or eligible students who seek to amend a record should submit a written request to the school principal which clearly identifies the part of the record they want changed, and why it is incorrect or misleading. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing and their right to file a complaint with the Family Policy Compliance Office at the U.S. Department of Education. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

Please note that the school is not required to consider requests for amendment under FERPA that: (1) seek to change a grade or disciplinary decision; (2) seek to change opinions or reflections of a school official or other person reflected in an education record; or (3) seek to change a determination with respect to a child's status under special education programs.

- (3) Parents and eligible students have the right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without their consent.**

Generally, schools must have written permission/consent from the parent or eligible student in order to release any information from a student's education records. However, FERPA allows schools to disclose records, *without consent*, to the following parties or under the following conditions:

- to a school official with a legitimate educational interest (i.e., the official needs the record to fulfill his or her professional responsibility);

- to another school district to which the student seeks or intends to enroll;
- to specified officials for audit or evaluation purposes;
- to appropriate parties in connection with financial aid to a student;
- to organizations conducting certain studies on behalf of the school;
- to accrediting organizations;
- to comply with a judicial order or lawfully issued subpoena;
- to appropriate officials in cases of health and safety emergencies; and
- to state and local authorities, within the juvenile justice system, pursuant to specific State law.

In addition, schools are also permitted to release information, without prior written consent of the parents or eligible student, which has been appropriately designated as "directory information" by the district. Grand Island Central School District has designed the following information as "directory information":

- student's name
- address
- telephone listing
- participation in officially recognized activities and sports
- weight and height of members of athletic teams
- photograph
- degrees, honors and awards received
- date and place of birth
- grade level
- enrollment status
- the school most recently previously attended if not Grand Island

NOTE: Specific examples include honor roll, merit roll, annual yearbook, playbills and graduation programs.

Photo/directory information, which is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) such as Grand Island Central School District to provide military recruiters, upon request, with three photo/directory information categories – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want Grand Island Central School District to disclose "photo/directory information" from your child's education records, you must notify the building principal in writing that you do not want "photo/directory information" disclosed. The written notice to the principal about photo/directory information must be received no later than 14 days after the date of publication of the notice (or within 15 days of newly enrolling in the district). A notice is provided below.

(4) Parents and eligible students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the Grand Island Central School District to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5920

Additional information on local school policy may be obtained from building principals or Pupil Services at Grand Island Central School District, 1100 Ransom Road, Grand Island, New York 14072.

Sincerely,

Brian Graham, Ed.D.
