A public school district located in Madeira, Ohio, a northeast suburb of Cincinnati, Madeira City Schools has been educating students since the first graduating class in 1923. The achievements and accomplishments of its students have been recognized for excellence both locally and nationally.

• The Quality Profile (QP) highlights areas beyond scores and mandated testing: Academics, Arts, Student Leadership & Activities, Fiscal Stewardship, Parent & Community Involvement, Student Services and Staff & District Recognitions. The QP can be found at www.madeiracityschools.org.

• In a generous and ongoing legacy of student support from a long-time Madeira resident, each graduate of the Class of 2027 who will continue education through a military, postsecondary or career/technical program will be awarded a $325 'Made in Madeira' scholarship to further their learning and personal growth.

• Madeira High School was ranked #2 within the state of Ohio in the 2026 US News and World Report's Best High Schools. The report also ranked Madeira High School #165 in the national rankings, #2 in Cincinnati Metro Area High schools, and #274 in STEM high schools.

• Madeira has received the maximum 5 star report card rating every year this rating has been used by the state of Ohio. Of the 607 districts in the state, only 61 received 5 stars on the 2025-26 report card. Madeira's Performance Index score ranked 8th out of 607 schools.

Course Designations at Madeira High School

Students at Madeira High School are encouraged to select academically challenging courses appropriate to their ability and performance as well both their immediate and future goals in college and career. Course designations are based on the level of challenge provided by the course content.

Each subject area may contain courses covering the same content with different levels of rigor. Courses are described on the transcript by the descriptors detailed below.

• **Advanced Placement (AP)** These very rigorous courses follow the national curriculum provided by the CollegeBoard and result in the opportunity to sit for the Advanced Placement exam in the subject area. All Advanced Placement courses receive weighted grades (1.0).

• **Honors (HN)** This designation indicates courses that are highly demanding and prepare students for continuing work at selective four year colleges. All Honors courses receive weighted grades (.5).

• **College Preparatory (CP)** These courses are comprehensive offerings that effectively prepare students for postsecondary studies.

• **College Credit Plus (CCP)/Dual Enrollment** The Ohio College Credit Plus program includes college coursework taught on or away from the Madeira High School campus. These courses earn transcripted college credit and also are included as high school credits. CCP courses are given weight equal to the most challenging offerings in each subject area. These courses are represented by the college name, college course title and course number.
