Re: Engineering Scholarships Available

Please find a link to our [webpage](#) featuring a brochure and application for engineering scholarships. Both the brochure and application may be shared with multiple students, guidance counselors, and teachers. The application **deadline** is **February 15 at 5:00 PM**.

Engineers Foundation of Ohio (EFO) scholarships are offered to outstanding high school and college students throughout Ohio who desire careers in engineering.

The scholarships are sponsored by EFO in conjunction with the Ohio Society of Professional Engineers (NSPE-Ohio) and the National Society of Professional Engineers (NSPE).

*** This year EFO has more than \$34,500 in scholarships available. ***

To obtain the current Engineers Foundation of Ohio Scholarship Brochure and Application please use the above link or visit: www.ohioengineer.com → Click on "Students & Educators," → "Programs for Students," and → "Scholarships." Students should review the brochure and complete their applications. Materials may be forwarded, as needed, to accommodate your students.

To be eligible to apply for these scholarships, a student must meet all of the following criteria:

- be a graduating high school senior (exceptions noted in individual scholarship descriptions);
- have at least a 3.0 (A=4.0) grade point average;
- meet the minimum SAT (Math=600, Reading or Composition=500) or ACT (Math=29, English=25) test scores as set by the National Society of Professional Engineers; &
- be a citizen of the United States and a permanent resident of the State of Ohio.

Additional criteria are specified for some scholarships. Please read each description carefully.

Thank you for your help in promoting EFO's scholarship program. If you have any questions, please feel free to contact EFO at admin@ohioengineer.com
