OSSD Scope & Sequence

Scope & Sequence (S&S) is an overview of the skills and content covered in your curriculum at each class/instructional level. It provides an overview of the length of time (scope) and the order (sequence) in which key content will be taught. This template is intended to help develop a S&S for one class/instructional level.

Grade Level(s): 5
Content Area and/or Course Title: Social Studies

Yearly Outcome		
In grade 5, students will explore how people moved, traded, and interacted with others in early civilizations. They will learn how geography, power, wealth, and religion shaped the growth and culture of these societies. Students will focus on regions like Western Asia, the Middle East, North Africa, and Sub-Saharan Africa. They will also learn about important cultural contributions and lasting achievements. By studying ancient history, students will better understand the roots of the modern world.
