

SY 27 Family Engagement Plan (FEP)

This plan was developed in partnership with families and approved on:	May 21st, 2026
Mission & Vision	
School Mission Statement	Cityview Community School exists to provide a high quality, anti-racist, culturally responsive education for every Minneapolis Student.
School Vision Statement	All students – regardless of their backgrounds, zip code, and individual needs – will receive an anti-racist, holistic education that builds essential knowledge to prepare students for future success.
Family & Community Voice and Engagement	
How family and community voices are gathered at our school (include how you communicate information to families and the meeting structure, i.e Site Council meetings, Conferences, etc)	The school hosts a regular site council meeting that includes families that participate regularly as well as families that participate when they can. The school utilized their website, talking points (texts), robocalls, emails, and social media to connect with families. The school throughout the year hosts family events where families engage with teachers and school leaders and conferences are also held throughout the year.
FEP Strategy	<i>All families feel welcome in our school and have equal access to opportunities to be involved in their students' education</i>
We will host the following family engagement events this year:	Academic family nights where families engage with curriculum, State of the Schools, Back to School Open House, Conferences, African American Family Involvement Day, Native American Family Involvement Day, Site Council/Coffee and Donuts with the Principal.
We will notify families of how to get involved in the events listed on our FEP, how to access school staff, and how to volunteer through:	Website, robocall/texts, posters/flyers, classroom newsletters, sharing upcoming events when families are here for conferences.
We will ensure all families can participate by providing the following:	Events at different times of day for accessibility, light refreshments at some events, offer translation when needed.
FEP Strategy	<i>All families are informed of the steps our school is taking to improve student outcomes and achieve equity</i>
We will host our annual Title I meeting (State of the School) on:	Wednesday, October 14th, 2026
We will inform families of the steps our school is taking to improve student outcomes and achieve equity through:	School Improvement Plan one pager available online, at coffee and donuts, academic curriculum nights, and by sending home curriculum aligned family letters and resources.
FEP Strategy	<i>Families will play an important role in developing our School Improvement and Family Engagement plans, and will provide valued input on how we spend our resources.</i>
We will get family input on our School Improvement Plan for next year in:	Spring 2027
We will get family input on our Family Engagement Plan for next year in:	Spring 2027
We will get family input on how we'll use our resources next year to support student achievement and engage families in:	Starting in February 2027
We will host regular Site Council meetings on:	Thursdays

FEP Strategy	<i>All school staff members, family members, and students understand the important role they each play in making sure students achieve success at our school.</i>
We will get family input on our School-Family Compact for next year in:	Spring 2027
We will share our School-Family Compact with families by:	October 12th-14th, 2026
FEP Strategy	<i>All families understand how to support their students' academic achievement.</i>
At the following events, we will help families understand our school curriculum, state standards, assessments their students take, and how we measure student achievement and success:	Academic Family nights, focused on literacy and math with access for families to see what they can do with their students at home, what they can expect students to bring in their backpacks, and what assessment data means for classroom instruction any intervention instruction.
In addition to the events above, we will also help families understand our school curriculum, state standards, assessments their students will take, and how we will measure student achievement and success in the following ways:	Sending home curriculum provided information, open house events (not just the academic events), intervention letters sent home.
We will host the following academically-focused family events:	Academic Family Nights (Math & Literacy)
FEP Strategy	<i>All staff will be trained on how to effectively partner with families.</i>
We will provide professional development on family engagement to our staff on the following topics this year:	PD on how to partner with families so they can support their students, and MnMTSS training on the Family and Caregiver Engagement component.
