Principal – Emily Caviggia
Assistant Principal- Meghan Therrien

Dear KCS Families,

At Killingly Public Schools, we are committed to providing students with a positive and enjoyable dining experience. As part of our ongoing effort to support the needs of our school community, we are partnering with Whitsons Culinary Group to gather feedback on our foodservice program.

We invite students, families, faculty, and staff to participate in a brief survey and share their experiences and perspectives. Your feedback will help us better understand what is working well and identify opportunities to further enhance our meal program.

Take the Survey: <https://xmp.insight-surveys.com/s/fall-2026>

Your input will help us:

- Assess satisfaction with our current foodservice program
- Enhance the meal experience for students, families, and staff
- Enhance the overall dining experience throughout our schools

The survey will be available from October 26 through November 6 and should take only a few minutes to complete. Responses will be collected by Whitsons and shared with our school administration as we work together to continuously improve the program. We encourage everyone who participates in our school meal program to take part. Your feedback is important and greatly appreciated.

Thank you for helping us create the best possible dining experience for our school community.

Sincerely,
Emily Caviggia
