

2026-2027 Sunshine Elementary PTA Business Membership Form

Thank you for supporting the Sunshine Bees!

The Sunshine Elementary PTA partners with parents, teachers, and the community to support our classrooms, host free family events, and fund the Bee Store, our student incentive program. Our business partners have made it possible to purchase new playground equipment, helped pay for field trips, given teachers grants for classroom expenses, purchased picnic tables for our outdoor courtyard, and other projects that make our school a better place to learn and grow.

As a valued partner, your business will be recognized and promoted through PTA communications and events, making your support visible to our network of families and teachers. Community partnerships like yours are essential to supporting education, and we are grateful for your commitment to our students.

Please complete and return this form to Sunshine in an envelope marked PTA Membership along with your dues. Checks can be made payable to **Sunshine PTA**. Please contact our PTA President, Sarah Jenkins or PTA Treasurer, Jessica Garrett, (sunshiner12pta@gmail.com) with questions.
