Important Information & FAQs

Website and Resources: Visit our website: CLICK HERE for tournament info, results, and resources.

Registration with UIL: UIL Coordinators must register annually with the UIL by using this link.

Beginning of Year Orientation Meetings: One representative per school required; multiple session times offered.

SpeechWire: SpeechWire is the online platform for tournament registration and management. Create an account if your school doesn't have one. Reach out to the UIL Specialist for assistance, and find helpful resources on the HISD UIL website.

Compensation for Coordinators: Compensation for serving as a UIL Coordinator is determined at the school level and should align with district guidelines. Please consult your principal for details. CPR/First Aid certification may be required.

First Aid-CPR-AED Guidelines: Familiarize yourself with Chapter 33 of the Texas Education Code, section 33.086 and HISD's CPR/AED guidelines. Each primary UIL Coordinator must be certified in first aid and CPR, with employees designated for training by their principal.

Bus Usage & Transportation Protocol: For schools that purchased a UIL package with transportation, please note the updated scheduling protocol below. All bus orders must be finalized at least 10 days in advance.

- **Online Form Required**: Look out for an email from the UIL office a few days before the booking deadline. You must complete the provided online form with your tournament details so we can submit the official bus order for you.
- **Time Limits:** All bus trips must be under 10 hours in length.
- **Trip Allocation:** Manage your trips within the limits specified by your school's UIL package. Each school receives a designated number of bus trips corresponding to the number of tournaments included in their package.

Required Forms: To adhere to HISD protocols, schools must manage the following documentation for tournament participation. Note the distinction between forms that must be submitted to the UIL office and those that must be maintained on campus.

- **Student Eligibility Form (Must Submit to UIL Office)**
  - **The Process:** A few days before each tournament, the UIL office will generate a list of student names for your school.
  - **Requirements:** This form includes a formal certification statement. By signing it, the principal confirms **(1)** All listed students are fully eligible to compete under Texas Education Agency (TEA) guidelines. **(2)** The school's UIL Coordinator or Chaperone has valid Field Trip Permission Slips and Medical Release Forms on file for every student listed.
  - **Submission:** The signed form must be submitted to the UIL office via email before students are allowed to compete.
- **Campus-Retained Forms (Do NOT Submit to UIL Office)** The school's UIL Coordinator or Chaperone must keep these documents on file on campus. Because the principal's signature confirms their completion, ensure these are secured beforehand:
  - **Field Trip Permission Slips:** To eliminate repetitive paperwork, we recommend listing the dates of all tournaments for the entire season on the permission slip. This allows you to secure a parent/guardian signature just once for the year.
  - **Medical Release Forms:** As long as a student's emergency contact information and medical needs do not change, this form only needs to be completed and signed once for the entire school year.

Parent Engagement and Participation: Parents are pivotal to the success of UIL participants.

- **Guidelines for Parent/Guardian Attendance at Events:** Parents may attend events but must follow all HISD protocols. Schools are responsible for verifying parent eligibility and ensuring compliance with district policies for adult presence.
- **Parent-Run Programs:** Parent-led programs must have an HISD school employee on-site during tournaments for safety and oversight. Because key UIL resources require an HISD email login, close collaboration with school staff is required.

Sweepstakes: Results are posted after each meet, including Sweepstakes. Physical awards are not given for this category. This recognition primarily serves as a measure of performance.

The Judge Pool: Our judging pool is diverse, with experienced educators, professionals, college students, alumni, parents, and high school volunteers. This mix ensures comprehensive evaluations, minimizing biases. Their expertise upholds event integrity and creates positive experiences for all participants.

Event Calendar: We aim to minimize conflicts with other departmental activities. Dates are fixed but may change due to extreme weather, with rescheduling attempts made if possible.

Note: Meets 1-4 are invitationals, offering open registration where schools choose which students to send, often using these meets to determine participants for the district meets. Meets 5-6 are district meets, also featuring open registration. Schools should keep in mind that district meets count toward the total number of meets in their UIL package.

Featuring MS Debate: UIL Academics offers a MS debate program, which will host 3 tournaments this year. These tournaments will coincide with some UIL meets. Please note that the debate program is not part of the UIL A+ package, and schools interested in participating must sign up separately. Debate is an all-day event, students involved in debate will not be able to compete in UIL A+ events on the same day.

Six meets are categorized into two types: Type A and Type B. Type A meets include roughly half of the contests, while Type B meets cover the other half. Consequently, most contests are offered three times each school year.
