education & community service
for all Colorado residents.*

The White Rose Scholarship Foundation

Since its inception, the WRSF has awarded more than \$375,000 to deserving applicants pursuing any further education at an accredited institution. The funds raised for scholarships are obtained through fundraising efforts of ICRME, community members, and private donors. The funds are presented annually to recipients during The White Rose Gala.

Applications for White Rose Scholarships are revised and made available each year in August. To obtain the most current application in the organization data documents section and information visit:

<https://www.coloradogives.org/organization/Wrsf>

Completed applications must be postmarked by January 14th OR received NO LATER THAN January 31st to be considered. An independent committee of civic, business and educational leaders review all submissions. If you are selected as a White Rose Scholar, your award will be disbursed directly to the accredited institution of your choice and will be applied towards tuition.

Cressy-West Endowment Fund History

Founded in 2001, The Cressy-West Fund was named in honor of two beloved members of our community. The fund was created to ensure the financial security of our scholarship program. Through generous estate donations to local fundraising efforts, the fund has grown to new heights. Founded in 2024, the fund enrolled into a permanent endowment fund with The Colorado Gives Foundation! Ensuring generations of students in need will receive scholarships in the name of The White Rose Scholarship Foundation.

The fund will continue to mature and grow, providing additional scholarships annually. In keeping with the mission of The White Rose Scholarship Foundation, The Cressy-West Endowment fund has moved into the future in 2024 with The Colorado Gives Foundation. The White Rose Scholarship Foundation Permanent Endowment Fund will produce scholarship grants for countless generations.
