IMPORTANT MAKE-UP DAY INFO

- **For free delivery to school, you must place your order before the ordering window closes 1 week after Make-Up Day.**
- **If your student missed Picture Day and you already placed an order,** we will hold the order until their photo is taken on the make-up day.
- **If your student missed picture day and you did not place an order,** your student will receive their personal ordering code when they have their picture taken.
- **My student got their package, but we want it redone.** There is no need to place an additional order for a retake photo. Simply send the complete original package back with your student on Make-Up Day and have them *give it to the photographer* when they have their photo retaken. **Replacement packages will only be printed with the return of your original package.**
