Decatur High Menu SY26/27

We continue to experience supply chain issues that may influence menu changes. Menu changes may not be updated online as they occur. We will work to substitute a like item to the best of our ability. ***Allergy Notice***: ECLC is the only facility where nuts are not served. Other schools are "nut-aware", indicating we take special care to prevent cross-contamination. Students that require special diet accommodations must have documentation signed by a medical provider on file with the School Nutrition Department in order for the nutrition department to support them properly. Please access the nutrition section of the CSD website for the proper paperwork. *Please do not self-select menu items for students that need special consideration without speaking with Keith Jenkins Nutrition Supervisor at keith.jenkins@csdecatur.net.
