Sarah Huckabee Sanders
Governor

Jacob Oliva
Secretary

Dear Superintendent Bogrek,

I want to extend my sincere congratulations to your school[s], **Lisa Academy Fayetteville for achieving an A rating and being identified as an Arkansas Gem School, Lisa Academy Fayetteville Middle School for achieving an A rating and being identified as an Arkansas Gem School, Lisa Academy North High School for being identified as an Arkansas Gem School, Lisa Academy Rogers-Bentonville Elementary School for achieving an A rating and being identified as an Arkansas Gem School, Lisa Academy Rogers-Bentonville High School for being identified as an Arkansas Gem School, Lisa Academy Rogers-Bentonville Middle School for achieving an A rating and being identified as an Arkansas Gem School, Lisa Academy Springdale for being identified as an Arkansas Gem School, Lisa Academy West High School for being identified as an Arkansas Gem School, Lisa Academy West Middle School for achieving an A rating and being identified as an Arkansas Gem School.** This accomplishment is far more than a measure of academic performance – it is a clear reflection of your commitment to excellence, your belief in every student's potential, and your dedication to implementing the LEARNS Act with purpose and fidelity.

Over the past three years, Arkansas has taken bold steps to strengthen teaching and learning statewide. Through LEARNS, we have raised expectations, aligned systems, expanded literacy support, improved access to high-quality instructional materials, invested in teacher quality, and created stronger pathways for students to succeed. These reforms were designed to empower educators, remove barriers, and ensure that every child, regardless of zip code, receives the education they deserve. You have risen to that challenge and proven that when the right systems are in place, students and teachers thrive.

Your school's improvement shows that these efforts are working. Higher letter grades do not happen by accident. They come from focused leadership, intentional planning. They come from teachers committed to evidence-based instruction, from tutors and interventionists who refuse to let students fall behind, and from administrators who set a clear vision for growth and follow through.

Most importantly, your progress demonstrates that when schools are focused on acceleration, our students are ready for success and prepared to be enlisted, enrolled, and employed.

I am proud of the work you have done and grateful for the leadership you continue to show. Your success is helping move Arkansas forward. It sends a powerful message to families and communities across the state: when we raise expectations and stay focused on student learning, our schools rise.

Thank you for your dedication, your resilience, and your unwavering belief in the power of education. I look forward to celebrating even more growth in the months ahead.

In the meantime, don't be a stranger. At the Arkansas Department of Education, we are committed to supporting you, encouraging you, and working alongside you as we all put students first.

Sincerely,

Jacob Oliva
Secretary, Arkansas Department of Education

BEATING THE ODDS

HIGH GROWTH SCORES ON RECENT TESTING

Students show growth even if facing challenges outside of school

LISA Academy is proud to announce that four of its campuses, LISA Academy West Middle, LISA Academy West High, LISA Academy North Middle, and LISA Academy North High have been recognized by the Office for Education Policy (OEP) at the University of Arkansas as schools where students are "Beating the Odds." This honor celebrates students who demonstrate high growth on the ATLAS assessment, even if facing economic challenges outside of school.

COLLEGE-PREP FOCUSED

COLLEGE & CAREER BOUND SCHOLARS

100% COLLEGE ACCEPTANCE RATE

LISA Academy is incredibly proud of the graduating Class of 2026. This exceptional group of 163 seniors has achieved remarkable milestones, earning more than \$13 million in scholarship offers—a testament to their academic excellence, perseverance, and commitment to their futures. These students have not only excelled in the classroom but have also made meaningful contributions to their communities, volunteering over 13,850 hours at 82 different nonprofit organizations across Arkansas.

We are especially proud of our LISA Academy West High and LISA Academy North High seniors: 100% of graduates were accepted to college, earning over 500 college acceptances in total. This level of success reflects the strength of our college prep programs and of our teachers and counselors. Among our outstanding graduates are 2 Governor's Distinguished Scholars and 12 seniors who have each earned over \$100,000 in scholarships and grants—an extraordinary accomplishment.

RISING TO THE CHALLENGE

2025-26 Bright Spots

Science Olympiad State Champions

In addition to the team's overall victory, they also received the Raye Montague Award for the highest-scoring majority-female team—an incredible honor that highlights their talent and perseverance.

Rogers-Bentonville Middle-High Team Invited to the VEX Robotics World Championship

LISA Academy Ranked Top in Arkansas

Two of our LISA Academy high schools were tied for the highest graduation rate in Arkansas AND are recognized as Top Ranked Schools by U.S. News & World Report!

North High Achieves Highest ELA Growth Scores in the State

LISA Academy North High School achieved the #1 Highest ELA Growth in the entire state with an outstanding overall growth score of 86.91!

Our Jaguars showed more improvement in English Language Arts than any other high school in Arkansas! This incredible achievement reflects our students' hard work, our teachers' dedication, and our families' unwavering support. Growth is not just measured in numbers, it's also proof that our students are mastering the skills they need to thrive in life.

Northwest Arkansas Regional Science Fair

Over 100 students participated, showcasing more than 80 impressive science fair projects—a true testament to the value of STEM-C education. LISA Academy jaguars brought home: 24 First Place Awards, 6 Second Place Awards, 12 Third Place Awards and 9 Honorable Mentions!

Senior Earns a Full Ride to Princeton

Jil, a dedicated and resilient scholar passionate about Computer Science, will join one of the nation's most advanced and innovative universities. He earned a full ride scholarship to Princeton University through the prestigious QuestBridge National Match program.

Bright Spots

AP School Honor Roll

LISA Academy West High School is proud to have earned the Gold Award, and LISA Academy North High School has earned the Silver Award! These honors recognize high schools that expand access to AP coursework while supporting student success.

NASA TechRise

As part of the NASA TechRise Student Challenge, our scholars from West Middle School designed an experiment to investigate the effectiveness of sunscreen at high altitudes. Their project flew about 13 miles above Earth!

REC Aerial Drone Competition

For the first time, LISA Academy had the honor of hosting this event and welcoming dozens of talented students who competed in multiple judged challenges. Students across the region met at Rogers-Bentonville Middle-High to compete.

12th Annual Arkansas STEM Festival

This year's theme, "Flight Path to the Future: STEM in Aerospace" invited students to aim for the stars with projects that reflected real-world impact and problem-solving. Students also learned from our esteemed guest — former NASA Astronaut Dr. Mike Foale!

Milken Educator Award

Jaime Garcia, Dean of Academics at LISA Academy North Middle-High, was named a 2025 Milken Educator Award recipient. This prestigious national honor recognizes outstanding educators who are shaping the future of education, and comes with a \$25,000 award! The award is considered the “Oscars of teaching” and is given to an educator who exemplifies excellence.

After being named the sole Arkansas recipient for the 2025-26 school year and the state’s 84th recipient since Arkansas joined the Milken Educator Awards program in 1991, Mr. Garcia said it was a surreal feeling.

“Overwhelming. Overwhelming, but exciting at the same time,” Mr. Garcia said. “It’s a great feeling to be recognized nationally, but more importantly by the students.”
