

CITIZENS' ADVISORY COMMITTEE

PARENT & COMMUNITY REPRESENTATIVE

Dan Romagno

Dan Romagno is a lifelong member of the East Stroudsburg community, a local business leader, and, most importantly, a father of two young boys who will one day attend East Stroudsburg Area School District.

Professionally, Dan serves as Director of Operations & Growth for Sherman Productions and has spent more than a decade working in the local live events industry. He also serves on the Pocono Chamber of Commerce Board of Directors and chairs its Young Professionals Committee, with a focus on strengthening connections between young professionals, local businesses, and the broader Pocono community.

Dan joined the Citizens Advisory Committee because he believes strong schools and strong communities go hand in hand. As a parent, he wants to help ensure his children and other students in the district have the opportunity to grow up in a community that is engaged with and invested in their schools. He hopes to bring the perspective of a parent, business leader, and active community member to the committee while helping strengthen communication and connections between the district and the community it serves.
