

CITIZENS' ADVISORY COMMITTEE

PARENT & COMMUNITY REPRESENTATIVE

Danielle (Dani) Sierra

Danielle Sierra is an active community member, parent, and advocate dedicated to supporting and strengthening her community. As a parent within the East Stroudsburg Area School District, she brings a personal and invested perspective to the Citizen's Advisory Committee.

Much of Danielle's passion for this work comes from real-life experiences, seeing where people struggle, recognizing gaps, and understanding how powerful it can be when someone simply listens. She believes that even small efforts can make a meaningful difference, and that belief continues to drive her work.

Danielle currently serves as Project Manager for the nonprofit organization Where The Needs Lead Us, where she plays a key role in developing programs that support local families, seniors, and individuals in need. She also serves as Business Development & Client Services Manager for Gillow's Tax Service and is a proud Board Member for Monroe County Habitat for Humanity. In addition, she is an engaged member of the local Chamber of Commerce and League of Women Voters, reflecting her deep commitment to civic involvement and community growth.

Danielle chose to be part of the Citizen's Advisory Committee because she cares deeply about the relationship between schools and the community. She is passionate about ensuring the next generation has the support and opportunities they need to succeed, while also making sure families feel supported along the way. She is committed to helping create a space where people feel comfortable speaking up, where concerns are heard without judgment, and where questions can turn into meaningful solutions.
