Remarks

Robinson Elementary School

School Decision-Making Committee (SDMC)

SDMC Meeting Minutes

Date: September 29, 2026

Time: 4:15 PM – 5:15 PM

Location: Robinson Elementary School

Attendance

The Robinson Elementary School Decision-Making Committee (SDMC) meeting was held on September 29, 2026, from 4:15 PM to 5:15 PM. **A total of six individuals were in attendance** for the meeting, representing members of the school community and various stakeholder groups. The meeting provided an opportunity for committee members to review important campus information, discuss current priorities, and provide input regarding the continued improvement of Robinson Elementary School.

Campus Improvement Plan (CIP)

The committee reviewed and discussed the current **Campus Improvement Plan (CIP)** for Robinson Elementary School. During the discussion, members reviewed the campus priorities, goals, and ongoing improvement efforts designed to support student achievement and the overall success of the school. Committee members were provided an opportunity to ask questions, provide feedback, and discuss the current direction of the plan. Following the review and discussion, the SDMC members in attendance **approved the current version of the Campus Improvement Plan as presented**. The committee will continue to review campus progress and support the implementation of strategies identified within the plan throughout the school year.

Enrollment Update

The committee also received an update regarding current student enrollment at Robinson Elementary School. The campus has a **projected enrollment of 356 students** for the 2026–2027 school year and is currently serving **351 students**. This places Robinson Elementary School only **five students below its projected enrollment**. Committee members discussed the importance of continuing to monitor enrollment throughout the school year to ensure the campus remains prepared to appropriately support students, staff, programs, and campus resources as enrollment changes.

Projected Enrollment: 356 Students

Current Enrollment: 351 Students

Remaining to Projection: 5 Students

Closing

The meeting concluded with appreciation extended to the six individuals in attendance for their participation, thoughtful input, and continued commitment to Robinson Elementary School. The SDMC values the involvement and partnership of parents, staff, community members, and campus representatives as the school continues working toward its goals. Robinson Elementary School appreciates the committee's continued support and looks forward to working collaboratively to promote **student achievement, campus improvement, and the overall success of every Robinson Raptor.**
