Informational and Discussion Items:

- The Council discussed SGC funding allocations in response to district budget reductions. The proposal supported Math, ELA, Science, Social Studies, World Languages, and Connections.
- Principal Armstrong requested increasing the Connections allocation to \$3,500 and explained that CTAE receives a separate district budget. Mrs. Aguilera updated the proposal accordingly.
- Ms. Lewis asked about available school funds. Mrs. Aguilera reported just over \$20,000 in the general fund, and Chair Smith stated that the SGC budget is \$40,000.
- The Council approved the revised school request totaling \$24,500 across instructional departments; the remaining three voting members voted yes.
- Dr. Hines provided a brief synopsis of the September Cross-Council meeting.
- Principal Armstrong shared updates regarding Zone 2 & 3 instructional data analysis and building needs, Clubs at the Creek, the Fulton County Expo, BCMS community engagement, and the Silent Party attendance incentive.
- Members discussed topics for the November 10 meeting agenda.
