

Dear Parent or Guardian,

Each year, the Tennessee Department of Education examines schools' performance across several indicators to provide an overall view of how schools are serving the needs of all students. The Department of Education included the following indicators in its analysis of school accountability:

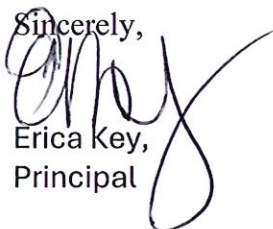

- Student achievement
- Student growth
- English learner proficiency exam (ELPA)
- Chronic absenteeism

Under the federal Every Student Succeeds Act (ESSA), the department is required to use the school accountability results to identify those schools with the lowest performance across student groups (e.g., individual racial/ethnic student groups, students with disabilities, economically disadvantaged, and English learners).

We are writing to inform you that Getwell Elementary is identified for TSI as required by ESSA and the U.S. Department of Education during the 2026-2027 school year. This federal designation will be retained until the school exits or a new designation list is released.

Our school is working hard with the district and the Tennessee Department of Education to increase student performance by High-Quality Tier I instruction, implementing targeted interventions, and ensuring all students receive the support they need to achieve academic success and strategic data analysis. We encourage you to help by participating in the development and implementation of our School Improvement Plan and/or engaging in school activities, attending family events, and providing feedback to support continuous improvement and student success.

Sincerely,

Erica Key,
Principal

Getwell Elementary School
