

Public Notice of Intent to Apply for Federal Grant Funds

Kilgore ISD will apply for the Federal Grants listed in the chart below for the 2026-2027 school year. The district plans to use these funds to support the intent and purpose of each grant's program guidelines and the federal EDGAR requirements. In accordance with federal regulations, an entity planning to submit a federal grant application must offer a reasonable opportunity for public comment on the application before it is submitted to the Texas Education Agency for approval.

This serves as public notice of the district's intention to submit federal grant applications for the following: Every Student Succeeds Act - ESSA (Title I-A (Schoolwide), Title II-A, Title III-A, and Title IV-A), IDEA-B (Special Education), and Carl D. Perkins (Career & Technology).

Public comments may be submitted by email to the email address listed below. Comments will be included in the planning process for the 2026-2027 school year.

Title Program	Intent and Purpose	Expected Entitlement	Summary of planned expenditures
Title I, A	The purpose of Title I of ESSA is to provide all children significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps.	\$1,035,703	Provide supplemental instruction to meet the educational needs of students.
Title II, A	The purpose of Title II, Part A is to increase student achievement consistent with the challenging State academic standards; improve the quality and effectiveness of teachers, principals, and other school leaders; increase the number of effective teachers, principals, and other school leaders who are effective in improving student academic achievement in schools; and provide low-income and minority students greater access to effective teachers, principals, and other school leaders. The intent of the funding is to support educators in their work to improve the overall quality of instruction and ensure equity of educational opportunity for all students.	\$169,518	Provide supplemental professional development for teachers, administrators, and Staff. Stipend for Hard-to-Fill positions.
Title III, ELA	Title III, Part A of the Elementary and Secondary Education Act (ESEA), as reauthorized under the Every Student Succeeds Act (ESSA), aims to ensure that English learners (ELs) and immigrant students attain English proficiency and develop high levels of academic achievement in English. Title III will also assist all English learners meet the same challenging State academic standards that all children are expected to meet.	\$66,748	Provide supplemental staff development to support English Learners and their families.

Title IV <i>Fund Code 214</i>	The overarching goal of Title IV, Part A, is to increase the capacity of state education agencies, local educational agencies (LEAs), campuses, and communities to meet the following three goals: 1. Provide all students access to a well-rounded education 2. Improve academic outcomes by maintaining safe and healthy students 3. Improve the use of technology to advance student academic achievement	\$76,838	Provide supplemental enrichment opportunities, technology, and health and safety strategies for students.
Perkins	The Carl D. Perkins Career and Technical Education (CTE) Grant provides federal funding to support high-quality career and technical education programs that prepare students for college, careers, industry certifications, and workforce readiness through academic and technical skill development.	\$49,237	Support Career and Technical Education (CTE) programs through instructional materials, equipment, professional development, and activities that prepare students for college and career readiness.
IDEA-B Formula	IDEA-B Formula provides federal funding to support special education and related services for eligible students with disabilities ages 3–21 to ensure access to a free appropriate public education (FAPE) in the least restrictive environment.	\$767,499	Support special education services through instructional resources, specialized staff, professional development, evaluations, and accommodations for eligible students.
IDEA-B Preschool	IDEA-B Preschool provides federal funding to support special education and related services for eligible children with disabilities ages 3–5 to help ensure early intervention and school readiness.	\$7,084	Support early childhood special education services for eligible preschool students through instructional materials, specialized support services, evaluations, and developmentally appropriate learning resources.
