ACADEMICS/CURRICULUM

The academic year at BCS consists of 180 days. The school operates on a nine-day cycle with four periods per day. Class sizes range from approximately five to twenty students. All courses from Grades 7 to 12 at BCS are enriched well beyond both Quebec and New Brunswick provincial requirements. BCS is a non-semestered school.

For Grades 7 to 11 (the five grades that comprise secondary education in Quebec), BCS is granted a permit by the Ministère de l'Éducation du Québec and follows the provincial curriculum. In order to earn a Quebec Secondary School Diploma (DES) at the end of Grade 11 (known as Secondary V in Quebec), students must complete a minimum of 54 credits during Grades 10 and 11. Students who receive their DES are eligible to apply to a CEGEP (junior college in Quebec) or to continue at BCS in Grade 12.

At the Grade 11 and 12 levels, BCS is accredited by the New Brunswick Department of Education and Early Childhood Development through Atlantic Education International. In order to earn a New Brunswick High School Diploma at the end of Grade 12, students must complete a total of 17 credits in Grades 11 and 12.

BCS is also an International Baccalaureate (IB) World School. It offers the IB Diploma Programme in Grades 11 and 12. Students who do not complete the full IB Diploma are eligible to earn IB Certificates.
