October 2026,

Dear Parents and Guardians,

Your student is scheduled to take the **Fall New Jersey Graduation Proficiency Assessment – Adaptive (NJGPA-A)** during the week of **October 19–22, 2026**. This administration applies only to Class of 2027 students who still need to satisfy state graduation requirements in English Language Arts (ELA), Mathematics, or both. Individual Student Reports for the Spring NJGPA-A assessment were previously distributed.

Pineland Learning Center Testing Schedule:

- **English Language Arts:** Monday, October 19, 2026
- **Mathematics:** Tuesday, October 20, 2026

Testing administration will begin promptly at 9:00am, after which students will resume their standard daily schedule. Because testing dates are fixed, please make sure your student arrives on time and well-rested. Any student absent for a scheduled testing session must complete a make-up exam by Wednesday, October 28, 2026.

Please note that failing to complete or pass these required assessments could affect your child's projected graduation date, subject to the guidelines of their home school district.

To help prepare, students will utilize classroom instructional time to complete New Jersey Department of Education (NJDOE) practice tests.

You can access additional resources and practice materials provided by the state at <https://nj.portal.cambiumast.com/practice-tests.html>.

Please feel free to reach out if you have any questions.

Sincerely,

Lisa Howell
