Notes:

For your first choice program: Why are you interested in attending HCC? How will your experience in the program prepare you for your plans after high school?

For your second choice program: Why are you interested in attending HCC? How will your experience in the program prepare you for your plans after high school?

Are your high school grades reflective of your ability to be successful in the program? (If yes, explain why. If no, explain why.) What has impacted your grades the most?

Describe your high school attendance, including tardies and early departures. Explain any challenges and how your attendance demonstrates your ability to be successful in a Herndon Career Center program.

HCC programs involve both independent work and teamwork. Describe one example of a time you successfully completed a project or task on your own and one example of a time you worked effectively as part of a team.

If there is any additional information you would like considered in your application, please provide the information below (not a scored response; used for clarification).

Explain any personal connections you have that led you to apply for this program.
