WHAT IS PLAYGROUP

Our playgroup gives young children a safe, welcoming place to learn, explore, and build confidence—through play.

WHY IT MATTERS

These early years shape how children learn, connect, and grow. Playgroup helps your child build the skills they need for school—and for life.

WHAT YOUR CHILD WILL GAIN

Your child will build social-emotional skills, grow in confidence and independence, and form early friendships. Through play and daily routines, they'll strengthen motor skills and experience a positive, welcoming start to school.
