HESAA
HIGHER EDUCATION STUDENT ASSISTANCE AUTHORITY

The Mission

Since 1959, the Higher Education Student Assistance Authority is the only State agency with the sole mission of providing students and families with the financial and informational resources to pursue their education beyond high school.

Financial Aid Application Graduation Requirement:

FAFSA, or if applicable NJ Alternative App for NJ DREAMERS or an Approved Waiver

New Jersey high school graduation requirement:

- Builds awareness of financial aid resources for New Jersey students to pursue a postsecondary education
- Determines eligibility for both federal (FAFSA only) and state financial aid
- Empowers students to make informed decisions about the college selection process
- Emphasizes that a college degree is both accessible and affordable for many NJ residents

Goals of Financial Aid Office

Primary goal is to assist students in paying for college and is achieved by:

- Evaluating family's ability to pay for educational costs
- Distributing limited resources in an equitable manner
- Providing a balance of grants/scholarships and other funds from the family's own resources, such as savings or wages from school-sponsored student employment.
- Implementing federal and state regulations for their college/university

What We Will Discuss This Evening

- What is financial aid?
- How is eligibility determined?
- What is the Student Aid Index (SAI)?
- Types and sources of financial aid
- Financial aid packaging; comparing offers
- Special circumstances
- Consumer Issues
- Overview of the FAFSA and Profile Form

What Is Financial Aid?

- Generally speaking, financial aid includes all funds made available to students that do not come from their family.
- Sources are the federal and state governments, the colleges themselves and private sources
- It comes in the form of grants, scholarships, loans and student employment

What Forms Are Required and When

- Free Application for Federal Student Aid (FAFSA)
- College Board Profile Form (for some schools)
- Verification Documents/Tax Documents
- Information from the parent who is not providing information on the FAFSA
- Know your school's requirements and deadlines

Student Aid Index (SAI)

- SAI is an number used by colleges to determine a student's financial aid eligibility.
- Derived from a formula that assesses contributions from the parents and the student
- The Federal SAI determines eligibility for federal programs.
- Some colleges use an institutional calculation, called Expected Family Contribution (EFC), to determine eligibility for *institutional funds*.

How Is Eligibility Determined?

- Cost of Attendance (COA) - direct and indirect costs
  - Tuition and fees
  - Room and Food
  - Books and supplies, transportation, personal expenses
- Adjustments for special circumstances – study abroad, disability costs
- Federal vs. Institutional calculations; differences in assessment
- Need= COA - SAI
