

ALCOTT ELEMENTARY — OCTOBER 2026

CONSTRUCTION UPDATE

Dear Students, Families and Neighbors,

Welcome back to school! As students and staff settle into a new year, the Alcott construction team has been making great progress on your future school and we're excited to share what's next.

WHAT WE'VE FINISHED:

- Finished the building's main structure, including the foundation slab, steel framework, and roof decking.
- Continued landscaping improvements in the existing parking lot area.
- Completed the permanent electrical connection from the utility provider to the school's transformer, an important milestone that brings us closer to final building startup and occupancy.

WHAT WE'RE WORKING ON NOW:

- Continuing work on the building's structural steel components.
- Installing heating, cooling, ventilation, plumbing, and electrical systems throughout the building.
- Continuing construction of interior and exterior wall framing.
- Advancing roof installation to help fully enclose the building and protect it from the weather.

WHAT'S COMING UP NEXT:

- Begin installation of the building's weatherproof exterior barrier.
- Start installing metal exterior wall panels.
- Install windows and main entrance systems.
- Begin brick installation as exterior construction continues.

SAFETY TIPS:

- Trucks come 4–5 days a week between 7:00 a.m. and 2:30 p.m. Stay back and make sure drivers can see you.
- Listen to flaggers — they help keep everyone safe.
- Don't go inside fenced-off areas.

IMPORTANT INFO:

WORKING HOURS

Standard work hours are 7:00 a.m. to 5:00 p.m., Monday–Friday.

We may need to work at night or on weekends. Working hours will be in compliance with King County ordinances.

NOISE & VIBRATION

Backup alarms must stay on for safety per Washington Industrial Safety and Health Act (WISHA).

DELIVERIES

Trucks enter from 228th Ave. NE on the east side of the job site.

CLEAN WATER

The team makes sure that only clean rain water leaves the site.

WORKER RULES

All workers must follow Cornerstone and Lake Washington School District's job site policies and safety rules.
