Please call 1-833-520-8662 to submit your claim. **IN CASES OF LIFE AND LIMB THREATENING EMERGENICES CALL 911 OR GO TO THE NEAREST MEDICAL FACILITY.**

Follow-up care is **REQUIRED** to be provided by one of the designated work comp physicians the following day, do not follow up with the Emergency Room Physician. Additionally, follow-up care with the designated work comp physician should occur outside of normal work hours whenever possible, as work comp DOES NOT pay for time to go to medical appointments. If the injured employee misses work due to the work comp injury (i.e., ordered to be off work by doctor, or the restrictions placed cannot be safely accommodated, please call Risk Management at 303-387-0030 or 303-387-0036 immediately.)

Our workers' compensation claims adjuster is Gallagher Basset (303)796-9494. I have read and understand the Rule 8 Procedure:
