REFLECTION ESSAY/LETTER INSTRUCTIONS:

A core component of the Christian Service Program is the reflection that follows the experience. This provides a student time to reflect on the impact, both on his faith journey and service to others.

1. Your reflection will take the form of either a 4-paragraph **essay** or a **letter**, addressed to future Bosco students.
2. Answer the following prompts for each of the paragraphs below. Paragraphs must be 3 to 5 sentences in length.

The essay must be typed, 12 font, Times New Roman.

3. The reflection prompts:

- **Name, ID#, and Tech at the top right of the page**
- **Paragraph 1: Introduction:**
Describe where you did your service and why you chose this service.
Include a brief summary of your role and/or duties.
- **Paragraphs 2 and 3: Body of reflection**
What personal gifts or skills did you bring to this service experience? Did you discover any new talents?
Describe the impact your service had on those you served.
What did you learn about yourself and/or your faith from this experience?
- **Paragraph 4: Conclusion**
Would you do a service project like this again? Would you recommend it to someone else? Why or Why not?

NOTE: Make a copy of your packet as backup before you submit it to Mr. Ramirez.
