

Minutes of Student Health Advisory Committee

February 16, 2026 – 3:30 pm – Professional Development room/Admin Bldg

Meeting was called to order by Chair Michael Mitchell at 3:30 pm. Chair Michael Mitchell stated that a quorum was present and that the meeting agenda had been duly posted. Invocation and pledges were dispensed.

Twelve attendees present were: Mitchell, Faye Pearson (Community), Shari Phillips (REACH council), Vickie Coonrod (ISD), Sarah Tucker (ISD), Chris Rosamond (ISD), Lauren Wilson (Parent), Katie Tackett (ECCHC), Adele Mooney (Community), Jenna Ballard (ISD), Tammy Clark (ISD), and Tony Tucker (Community). A quorum of voting members was present.

Katie Tackett with Ellis County Children's Health Center presented information on the Monique Burr Child Safety Curriculum which is now available to K through 5th graders at no cost to the school. She presented an overview of the curriculum and suggested that providing the information to 2nd and 4th graders would be ideal for Maypearl and the curriculum is already being used in Middle and High School. It is an opt-in program. Vickie Coonrod moved and Adele Mooney seconded a motion to approve the curriculum for the 2nd and 4th grades and to place it on the School board's agenda for their approval. Motion passed unanimously.

A discussion was held regarding planning for the 4th Annual Back-to-School fair. Nurse Tammy Clark shared that she has not been able to secure a vendor to provide vaccinations. Our volume is too low for most organizations and/or we are too far away for it to be a viable event for most vendors. She will continue to search for a company that would commit to coming to the fair. Other logistics for the BTS fair can be coordinated in a meeting in April or May. Nurse Sarah Tucker reiterated that we need to push out information on the required vaccinations especially for Kindergarten and 7th grade students. She said parents are sometimes not aware of the requirements. Getting information out to the parents well before school starts (even at the end of this school year) will be vital, especially if no vendor is found.

Those members who served on the planning committee previously will be reminded to meet in April or May for planning.

Meeting was adjourned at 3:54 pm after Chair Mitchell said that he would be sending information on proposed meeting dates for the next school year.

Respectfully submitted,

Adele Mooney
