PARKVIEW MIDDLE SCHOOL

NEWSLETTER

Dear Parkview Families,

It is hard to believe we are already into October! As we move further into the school year, we want to emphasize how important it is for students to attend school regularly and arrive on time every day, as each morning brings valuable opportunities for learning, building relationships, and fully participating in our school community.

We have had a fantastic start to the year with incredible participation in our recent Bike/Walk to School Day, strong numbers across all Fall Athletics, and the exciting kickoff of our 7th and 8th grade girls' basketball season. Beyond sports, we encourage every student to find a place to connect through our wide variety of after-school activities, including Anime Club, Art Club, and Student Council, and you can always check our website's live announcements feed for daily updates on meeting times and events **here**.

As a friendly reminder, all cell phones must remain locked in student lockers during the school day. If a student feels ill or needs an item brought to school, they should visit the main office to use the school phone rather than texting home from a personal device so our staff can assist them properly.

Lastly, we look forward to partnering with you and celebrating student progress during our upcoming Parent/Teacher/Student Conferences on Tuesday, October 27th, and Wednesday, October 28th, from 4:00 to 7:30 p.m.

Thank you for your continued support and partnership as we make this Fall a season of learning and connection!

With appreciation,
Ms. Hucek & Mrs. Davis
Principal & Associate Principal

Mission Statement

Parkview Middle School is a place where everyone fits. We work together, believe in each other, and do work that matters. At Parkview, we do no harm, welcome all, and never give up on learning.

ATTENDANCE

- Doors OPEN at **7:10 a.m.** and LOCK promptly at **7:30 a.m.**
- If your student needs to miss school, parents/guardians must notify the main office, in advance if possible. Sleeping in or oversleeping is not an excusable absence.
- To report an absence, please either leave an attendance voicemail via phone at (920) 492-2940, Option 1. You may also contact the main office during office hours, Monday-Thursday between 7:00am to 3:30pm, and Friday 7:00 am to 3:15 pm via phone at (920) 492-2940, Option 0.
- To leave school early, parents/guardians must notify the main office. The student will pick up a blue pass from the main office before their scheduled pickup time. The student will then use the blue pass to be dismissed from their scheduled class at the designated pickup time. A parent or legal guardian must come into the school and sign the student out. If the student will be returning to school on the same day, they should leave their blue pass in the main office upon departure and pick it up when they return. Parents/legal guardians do not need to come into the school and sign the student back in.

MEDICATION POLICY

School personnel cannot administer non-prescription or prescription medications without a completed **Medication Administration Request/Consent Form** on file for the current school year.

All non-prescription and prescription medication must be kept in the health office in its original container. Exceptions to this policy may be made for inhalers, EpiPens, insulin, and other medication that can be self-administered by the student that has the proper paperwork on file. All medications must be dropped off and picked up in the school office by an adult (students may not transport medications to and from school)

Acetaminophen, Ibuprofen, and Benadryl are available to students if an Over-the-Counter Authorization Form is filled out in **PowerSchool**. This form must be completed each school year. Consent from the previous school year does not carry over.

Health Information forms in **PowerSchool** should be updated each school year. Health information updates are important for keeping your student safe while at school.

Please reach out to Kat Herald, School Nurse, at Parkview Middle School with any questions or updates regarding medications or student health. Kat can be reached at (920) 492-2905 ext. 6103 or kherald@ashwaubenonk12.org

THANK YOU FOR HELPING US SUPPORT OUR STUDENTS!

It is the belief of the Ashwaubenon School District that effective communication is one of the cornerstones of a quality learning community. Newsletters will be produced and distributed electronically regularly during the course of the year to keep families informed on a wide range of items. Items included in the newsletter will range from announcements, updates, and revised calendar dates. If there are things that you would like to see published, please let us know by calling (920) 492-2940. Thank you!
