

BACK TO SCHOOL

SPRING CREEK SEPTEMBER NEWSLETTER

PRINCIPAL'S MESSAGE

Dear Spring Creek Families,

What a wonderful and energetic start to the school year! Our smooth and successful return to school is a direct result of the dedication, cooperation, and enthusiasm of our entire community, including our students, staff, and families. Thank you for your support, patience, and positive energy in making these first days so memorable.

Our school community will soon feel complete as we prepare to welcome our kindergarten students. We are thrilled to introduce our youngest learners to the building and look forward to guiding them as they begin their educational journey with us at Spring Creek Elementary.

Campus Construction Updates: Our campus improvement projects continue to make strong progress. Construction on the new playground, annex building, and updated bathroom facilities is moving along, and we expect all three projects to conclude in just a few short weeks. We appreciate your continued cooperation and patience as we finalize these upgraded spaces for our students.

Academic Benchmarks & Home-School Partnership: In the coming weeks, students will participate in our beginning-of-year assessments, including the Acadience literacy and math assessment and the iReady benchmark assessments. These tools provide our educators with valuable baseline data regarding each child's current strengths and areas for growth.

Our teachers actively utilize these results to tailor daily classroom instruction and design targeted small-group interventions to ensure every student receives the exact support they need to thrive. We look forward to partnering with you to review this data soon and discuss how we can work together, both at school and at home, to encourage your child's ongoing academic growth.

Thank you once again for your partnership and for laying the foundation for an extraordinary school year ahead. Together, We Are Spring Creek!

Warmly,

Mr. Cottrell

Principal, Spring Creek Elementary

LOST AND FOUND

We have already collected quite a few lost items. They are on a table outside the office.

We are seeing lots of lost water bottles and lunch bags. Please

label your students' items

with their names. This will make it so much easier to get them back to them.

SAFETY

We will be having our first fire and evacuation drill this week. Our law enforcement has instructed schools that when a fire alarm is heard, teachers should check the halls for students, then shut and lock their doors and wait for instructions. If necessary, an evacuation of the school may be issued. We know this is different from how we want students to respond to a fire alarm at home. Please discuss with your child that when they are at home, they should leave the home safely. Please use the following link to learn more about safety in Cache County Schools.

SCHOOL LUNCH

Pay for your students' school lunches online through our new PaySchools website or download the app to your phone.

You will need your students' PowerSchool numbers to add your students to your PaySchools account, which you can find online in PowerSchool. Log in to PowerSchool on your home computer (it will not show you the number in the app).

Lunch Schedule

1st Grade: 11:05 - 11:25

3rd Grade: 11:35 – 11:55

2nd Grade: 11:40 – 12:00

4th Grade: 11:55 – 12:15

FROM THE PRESIDENT

Spring Creek Family,
You are amazing. I am blown away by your support. What a great first week we have already had. Back to School night was amazing. The first day of school was spectacular. And your willingness to volunteer for whatever the PTO, School, and teachers need, incredible. Let's continue to be great. If you have a question, don't hesitate to ask. Someone has the answer and we will find it together. I am excited for the fun things we will be doing as a PTO this year. Buckle up, hang on tight and enjoy the ride.
