

# SPRING CREEK October NEWSLETTER

## PRINCIPAL'S MESSAGE

Dear Spring Creek Families,

As I walk through our hallways and step into classrooms each day, I am constantly reminded of what a special community we have at Spring Creek Elementary. The energy and vibe amongst families, students, and staff are nothing short of incredible and create such a positive place to learn, work, and collaborate. Each student, parent, and staff member plays an important role in maintaining that feeling at Spring Creek Elementary.

**Campus Construction Updates:** Our campus improvement projects continue to make strong progress. Just last week, we saw the opening of our brand new playground. It was wonderful to see all the children enjoying the new space. It was a joy to see the excitement on their faces and a great reminder of the fun that happens at school. We appreciate your continued cooperation and patience as we finalize a few additional spaces for our students in the coming weeks, including lockers in the annex, bathroom projects, and outside fencing.

**Academic Updates & Home-School Partnership:** Looking ahead, we are especially excited for our upcoming Parent-Teacher Conferences! These meetings offer a wonderful opportunity for us to connect, celebrate your child's achievements, and discuss how we can best support their unique strengths and learning goals. We firmly believe that education is a team effort, and a strong partnership between home and school is key to every child's growth and happiness. We look forward to sitting down with each of you, listening to your insights, and working collaboratively to ensure your child has everything they need to reach their full potential this school year.

Thank you once again for your partnership and for helping not just maintain but build the momentum toward a fabulous school year. Together, We Are Spring Creek!

Warmly,

Mr. Cottrell

Principal, Spring Creek Elementary

**START HERE**

Dear Family,

We are thankful for you being part of our school community! The world is changing quickly and we want to do everything we can to help students be successful in school and life.

We are excited to tell you that we will be using a program called PurposeFull People this year. This program teaches skills that will help students be successful in school and in life.

We believe that students should have safe, predictable places to learn where they feel included. Students should have healthy and helpful connections with teachers and classmates. They should also experience learning that will help them tackle challenges inside and outside of school. PurposeFullPeople is more than a set of lessons - it is a partnership between schools and families to create a place where students feel like they belong and learn skills that will help them be the best they can be!

Purposefull People has three main goals for students: Be Kind, Be Strong, and Be Well.

- **Be Kind:** Social skills like listening, friendship, solving conflicts, and leadership.
  - These skills are taught alongside **Empathy, Respect, & Cooperation**
- **Be Strong:** Skills that help students focus, stay organized, and set goals.
  - These skills are taught alongside **Responsibility, Courage, & Perseverance**
- **Be Well:** Skills that help students handle their emotions and deal with stress.
  - These skills are taught alongside **Gratitude, Honesty, & Creativity**

This year, you'll be invited to join the fun! We will send letters home about the skills and strengths being taught each month. Each letter will include some ways to build these skills at home, discussion starters, and fun challenges you can try with your family.

The path forward is full of growth! We cannot wait to partner with you in this work...

- To teach students how to build strong friendships
- To work together to solve problems, big and small
- To grow skills for life
- To become PurposeFull People

With Gratitude,

Spring Creek Elementary
