Students must use an approved QCAA calculator within assessments. The school encourages all students to use the ' Abacus SXII Matrix a ' scientific calculator and is approved for external exams by QCAA. Teachers will use an emulator in class for all students to follow. These scientific calculators can be borrowed from the school by request via email to resources@faith.qld.edu.au		

11 MATHEMATICAL METHODS

**JACARANDA Maths Quest
11 Mathematical Methods
Unit 1 & 2 for QLD 2nd Ed (NEW)**
ISBN 9781394269778

eBook provided by the school through Box of Books.

Optional purchase of the Print Textbook from BoB at a reduced price.

Approved QCAA Graphics Calculator – **Casio FX1AU Calculator**

During class, the teacher will model using this approved calculator, and support is provided as needed. It is unrealistic for teachers to be familiar with all models. Please keep this in mind when choosing a different model of calculator for your studies. Ensure your model is approved by QCAA as some calculators will not be allowed use in any Formative or Summative Assessment or external exam. New students should contact the subject teacher for further information.

Supplier options for consideration - Officeworks

<https://www.officeworks.com.au/shop/officeworks/p/casio-fx1au-graphing-calculator-black-replaces-fx-cg50-au-cafx1au>

Please be aware that this calculator is a requirement for this course.
The retail cost is estimated at \$270.

N.B. A longer warranty is preferred due to the cost of this item.
