

UNIVERSITY INSIGHTS PROGRAMME

Our University Insights Programme is an online lecture series featuring decision-makers from world class universities, and created **exclusively** for families at Dukes schools.

The Programme brings **powerful perspectives and insider advice** to your screen, helping families make smarter decisions about university choices and life after school. Sessions are available **on demand, 24/7** to all students and parents at Dukes schools from Year 9 upwards.

Universities included
in our programme

Programme Highlights

Talks for students and parents from decision-makers at UK, European, and US universities

All talks available on demand

The programme features Imperial College London, Bocconi University, Trinity College Dublin, and many more

To get access to the talks and to watch the archive on demand, scan the QR code or visit:
