Earth & Space Science Class Takes Rafting Trip to Letchworth State Park

During the Earth and Space Science rafting trip to Letchworth State Park, we observed many interesting Earth Science features formed by the Genesee River. The canyon walls showed horizontal layers of sedimentary rock, including shale, limestone, and sandstone, that were carved over millions of years by the river. We had previously learned that the velocity of the water changes in different parts of the river, which was helpful when we needed to take a break from paddling and let the current carry us downstream. The water moved us faster along the outside of meanders, where erosion is strongest. We saw runoff from the steep valley sides that also contributed to erosion and helped form the deep V-shaped valley seen throughout the park.

Students had an exciting and memorable month during the FCS Summer Program! Throughout July, they stayed active and engaged in a variety of fun and educational activities.

Students enjoyed swimming, playground time, library, and hands-on STEAM activities that encouraged creativity, teamwork, and learning. They took special field trips, including a day of outdoor fun at Triple R Campground and a morning of roller skating and ice cream at Skateland and Scoops. The students also enjoyed a visit from Nickel City Reptiles.

The program wrapped up with a fantastic water celebration featuring the Franklinville Fire Department, a

bounce house, and plenty of water games to help everyone cool off and celebrate a great summer together.

Thank you to our staff, families, and community partners for making this year's FCS Summer Program such a wonderful experience. We hope everyone had a fantastic summer and is ready for a great school year!

FROM THE DESK OF THE SUPERINTENDENT

As we welcome everyone back for another exciting school year, it is hard not

to reflect on the sense of excitement that surrounded our campus throughout the summer. One of the highlights at the end of last school year was watching our students stop what they were doing on the playground to watch the large yellow bulldozer move earth and prepare the site for construction. Their curiosity and excitement served as a wonderful reminder that learning extends far beyond the classroom.

Our Capital Project is much more than new buildings and improved facilities. It represents our community's investment in the future of Franklinville Central School and in the opportunities we are creating for our students. Every truckload of dirt moved, and every foundation poured is another step toward providing

learning environments that are safer, more functional, and better equipped to support generations of students.

Thanks to our community's support through the voter-approved Capital Project, we have made significant progress this summer. Construction is well underway near Ten Broeck Academy, where work continues on the new secure main entrance and the expansion of the main office. At our transportation campus, crews have officially begun construction of our new transportation facility. Throughout the summer, the site has been transformed through excavation, grading, underground utility installation, and foundation preparation, bringing this long-awaited project to life.

As the school year begins, you will continue to see progress across

our campus. While construction may occasionally require a little extra patience, the end result will be facilities that better serve our students, staff, and community for decades to come. We look forward to sharing updates throughout the year and celebrating each milestone together as we continue building the future of Franklinville Central School.

NOTIFICATION OF RIGHTS UNDER THE PROTECTION OF PUPIL RIGHTS AMENDMENT PPRA

PPRA affords parents and students who are 18 or emancipated minors ("eligible students") certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

Consent before students are required to submit to a survey that concerns one or more of the following protected areas ("protected information survey") if the survey is funded in whole or in part by a program of the U.S. Department of Education.

1. Political affiliations or beliefs of the student or student's parent;
2. Mental or psychological problems of the student or student's family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self-incriminating, or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
7. Religious practices, affiliations, or beliefs of the student or parents; or

8. Income, other than as required by law to determine program eligibility.

Receive notice and an opportunity to opt a student out of -

1. Any other protected information survey, regardless of funding;
2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.

Inspect, upon request and before administration or use

1. Protected information surveys of students;
2. Instruments used to collect personal information from students for any of the above marketing,

sales, or other distribution purposes; and

3. Instructional material used as part of the educational curriculum.

Franklinville Central School District has developed and adopted policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. The Franklinville CSD will directly notify parents and eligible students of these policies at the start of each school year and after any substantive changes. Franklinville CSD will also directly notify parents and eligible students, such as through U.S. Mail or email, at least annually at the start of each school year of the specific or approximate dates of any activities of the type described above.

Parents/eligible students who believe their rights have been violated may file a complaint with:

Family Policy Compliance Office U.S. Department of Education 400 Maryland Ave., SW Washington, D.C. 20202-4605

FROM FCS ELEMENTARY

Meet the Teacher Night!

Please join us for Meet the Teacher Night from 5:00 p.m. to 7:00 p.m. on Wednesday, September 2nd. You will have the opportunity to meet your teacher and participate in lots of fun activities!

Arrival & Dismissal Procedures

ARRIVAL

Students may enter the building at 7:20. Students should not be dropped off before 7:20. There is no adult supervision before 7:20. Students arriving after 7:45 will be marked tardy.

- If dropping your student off from your vehicle, please drive around the back of the school and let your child off at the north end by the cones.
- If you prefer to park your vehicle and walk your child to the door, please park in the first row and cross at the crosswalk.
- After 7:45, the South Entrance will be closed. Please proceed to the main entrance.

DISMISSAL

Car-Rider and Walker dismissal will start at 2:25

Car-Rider - Enter through Riggs Street and proceed behind the building to the north side of the building. Have your tag displayed on the mirror. Do not hang

additional items next to your tag, as it disrupts the signal.

Load all children on the passenger side. Staff cannot leave the sidewalk or load children into the vehicle.

Walkers/Parkers -If you are parking at the south end, please enter through Riggs Street. Park your car and walk to the south entrance to pick up your child. Parents who walk will also come to the south end to pick up their child.

Before and After School Care

Before-school care will be available from 7:00 to 7:35 a.m. This is offered to parents who have work conflicts and need assistance. To be eligible, parents must supply a letter from their employer stating that their work hours conflict with arrival time. Please contact the main office for additional information and to sign up for before-school care.

We are excited to partner with the YMCA for an after-school program that will run from 2:45 to 5:00. If you are interested in signing up, please contact the main office for an application.

Student Transportation Plan

The Transportation Plan Form will be sent out on ParentSquare about a week before school and will be available at Meet the Teacher night. Please return the form to the Elementary School office before school starts to help make dismissal run smoothly

on the first day. If you have any questions, please call the main office at 676-8020.

School Supplies

All school supplies have been purchased for our students for this upcoming year. The only items that you will need to provide are as follows:

Pre-K: Art shirt, sneakers for gym, small blanket, change of clothes, water bottle, backpack

Kindergarten: Art shirt, sneakers for gym, change of clothes, water bottle, backpack

1st – 5th Grade: Art shirt, sneakers for gym, water bottle, backpack

Pre-K/Headstart Information

Opening Day: On September 8th at 10:00, parents of children entering Pre-K are invited to join their children in the classroom to help them transition into their first school experience! The teachers have planned some fun activities and will have time to talk with you about the transition. You get to have lunch with your child. This day will be a shortened day for Pre-K students only.

Pre-K Full Day Classes: Beginning on Wednesday, September 9th, classes will follow the district schedule and bus routes.

Any questions for Pre-Kindergarten may be addressed on September 8th or directed to the elementary office at 676-8020.

FOCUS ON TEN BROECK ACADEMY

By: Robert Hirsch, Middle/High School Principal

Dear Families,

Welcome to the 2026-2027 school year at Ten Broeck Academy! This our journey together, will be fueled by our powerful new theme: "TRANSFORMED." This year, we focus on the daily choices and consistent actions that lead us to become the best versions of ourselves.

At TBA, we believe every student has the potential for growth and to make a positive impact on the world. The theme of TRANSFORMED challenges us to embrace this journey of character development. Throughout the year, we will explore ten foundational values that will guide us:

T Truth: "Truth is the foundation of trust." By being honest with ourselves and others, we foster a community rooted in trust and respect.

R Respect: "Respect is treating others the way we want to be treated." Valuing each person's dignity creates a culture where everyone feels welcomed and appreciated.

A Attitude: "Our attitude determines our approach to every challenge." A positive attitude helps us navigate difficulties with focus and resilience.

N Now: "The best time to do what is right is now." We learn to seize opportunities and make the most of each day, knowing our actions today shape our success tomorrow.

S Strong: "Strength is revealed through perseverance." True strength comes from courage and determination, especially when facing challenges.

F Faithful: "Faithfulness means being dependable and committed." We honor our commitments and cultivate loyalty in our relationships.

O Opportunity: "Every day brings new opportunities to learn and grow." We encourage students to recognize and embrace the chances for improvement that come their way.

R Real Love: "Love lifts us up where we belong." By practicing kindness and compassion, we strengthen our community and support one another.

M Mature: "Maturity is choosing what is right over what is easy." We learn to take responsibility for our actions and make decisions that consider others.

E Energy: "Positive energy inspires positive outcomes." The enthusiasm we bring to our daily tasks helps create an environment where learning and achievement thrive.

D Diligence: "Success is built through consistent effort." Through persistence and dedication, we understand that excellence is achieved not just by talent, but by hard work.

As we embrace these values together, we will transform our lives from the inside out. By committing to Truth, Respect, Attitude, Now, Strong, Faithful, Opportunity, Real Love, Mature, Energy, and Diligence, we become people of character who can positively influence our school, families, and communities.

Here's to a year filled with growth, purpose, and transformation at Ten Broeck Academy because, remember, Character Matters at TBA!

Five important reminders for the school year:

1. School starts at 7:35 and ends at 2:40
2. If you are absent or late, please email ParentSquare or bring your excuse in when you come to school as soon as possible.
3. All personal internet-connected devices must be stored in your locker from the first bell until the last bell of the school day.
4. All hats must be stored in your locker from the first bell until the last bell of the school day.
5. If you need to make transportation changes, please give as much heads up as possible.

HOMELESS STUDENT NOTIFICATION

It will be the policy of Franklinville Central School District, (LEA) to determine whether there are homeless students within the District by contacting our local department of social services, the local runaway and homeless youth shelter, and any other shelters located in the LEA. It is understood that not all homeless students can be identified through agencies as they may be sharing the housing of other persons, such as family or friends, due to loss of housing, economic hardship, or other similar reason. For this reason, the LEA will have an enrollment form that asks for a description of the current living arrangements of the child or youth in order to determine whether the child or youth meets the definition of a homeless child under the McKinney-Vento Homeless Education Assistance Act (42 USC §11434a[2]) ("McKinney-Vento") and New York Education Law §3209(1) (a).

A homeless child is defined as a child who does not have a fixed, regular, and adequate nighttime residence or whose primary nighttime location is in a public or private shelter designated to provide temporary living accommodations, or a place not designed for, or ordinarily used as regular sleeping accommodations for human beings. This definition includes a child who is:

- sharing the housing of other persons due to loss of housing, economic hardship or similar reason (sometimes referred to as double-up);
- living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations;
- living in a car, park, public space, abandoned building, substandard housing, bus or train station, or similar settings;

continued on next page

- abandoned in hospitals;
- a migratory child who qualifies as homeless because he or she is living in circumstances described above;
- An unaccompanied youth is a homeless child for whom no parent or person in parental relation is available (8 NYCRR §100.2[x][1][vi]).

This LEA homeless liaison will ensure that:

- Homeless children and youth are identified by school personnel and through coordination activities with other entities and agencies;
- Homeless students enroll in, and have full and equal opportunity to succeed in, the schools of the LEA;
- Homeless children and youth and their families receive educational services for which they are eligible, including Head Start, Even Start, and preschool programs administered by the LEA, and referrals to health, mental health, dental, and other appropriate services;
- Parents or guardians of homeless children and youth are informed of educational and related opportunities available to their children, and are provided with meaningful opportunities to participate in the education of their children;
- Parents and guardians and unaccompanied youth are fully informed of all transportation services, including transportation to and from the school of origin, and are assisted in accessing transportation services;
- Enrollment disputes are mediated in accordance with the requirements of McKinney-Vento; and
- Public notice of the educational rights of homeless students is disseminated to locations where they receive services under McKinney-Vento.

FROM THE NURSE'S OFFICE

Some important reminders to inform parents of health requirements for the 2026-2027 school year.

School Physician:

Please welcome Dr. Matthew Witte as our new district physician.

Physicals (Health Examinations):

If your student is entering grades PreK, K, 1, 3, 5, 7, 9, or 11 at the start of the school year they are required to have an up-to-date physical. An up-to-date physical for this school year is one that was completed between September 8th, 2025, and September 8th, 2026. If the student does not have an updated physical sent into the health office from your child's own provider within 30 days of the start of the school year this exam will be completed with our district physician, Dr. Witte. He will be scheduled to do student physicals beginning in November. We also request that you send in a dental certificate with the physical, but this is not a requirement.

If your student is interested in playing school sports, they will need a physical that was completed within a year of the start of the sports season. For example, if your student would like to participate in a school sport that starts in August, their physical would need to have been completed between August 2025 – August 2026.

If your student wants their working papers, they will need a physical that was completed within 12 months of the date of issuance of the working papers.

Immunizations:

Students MUST be age appropriately immunized to attend school in New York State. If they are not, they can be excluded from school per NYS Law.

If your student is entering **PreK**, they will need a total of (cumulative): 4 doses of DTaP, 3 doses of polio, 1 dose of MMR, 3 doses of Hepatitis B, 1 dose of varicella, 1 dose of Hib, and 1 dose of pneumococcal.

If your student is entering **Kindergarten**, they will need a total of (cumulative): 5 doses of DTaP, 4 doses of polio, 2 doses of MMR, 3 doses of Hepatitis B, and 2 doses of varicella.

If your student is entering **6th grade**, they will need to have their first dose of Tdap (given AFTER 10 years of age). Students who are 10 years old in 6th grade and who have not yet received a Tdap vaccine are in compliance until they turn 11 years old.

If your student is entering **7th grade**, they will need to have their first dose of the meningococcal vaccine.

If your student is entering **12th grade**, they will need to have their second dose of the meningococcal vaccine.

Please remember that the Health Department can also administer vaccinations to your child(ren) as well.

Health Department phone numbers:

Machias (716) 353-8525
Olean (716) 373-8050

Screenings:

Reminder that students will be screened for vision and hearing during the school year in grades PreK or K, 1, 3, 5, 7, and 11.

Also, 5th and 7th grade girls and 9th grade boys will be screened for scoliosis during the school year.

Contact Information:

Please ensure that you have a parent square account (reach out to us for help setting one up)! The nurse's office will be utilizing parent square to send out various notifications throughout the year. **However, this will ONLY be for non-urgent communications. You will still receive phone calls if your student is sick or injured.**

If you have any questions or concerns, please reach out to the appropriate nurse's office.

PreK-5: Phone (716) 676-8002, Fax (716) 676-8097, Email trosetti@tbafcs.org, findable on parent square as Tori Rosetti

6-12: Phone (716) 676-8022, Fax (716) 676-8033, Email rwright@tbafcs.org, findable on parent square as Riley Wright

SNAP/TANF/FDPIR Households: Households that currently include children who receive the Supplemental Nutrition Assistance Program (SNAP) but who are not found during the Direct Certification Matching Process (DCMP), or households that currently receive Temporary Assistance to Needy Families (TANF), or the Food Distribution Program on Indian Reservations (FDPIR) must complete an Application for Free and Reduced Price School Meals/Milk, listing the child's name, a valid SNAP, TANF, or FDPIR case number and the signature of an adult household member. Eligibility for free eligibility benefits based on participation in SNAP, TANF or FDPIR is extended to all children in the household. When known to the School Food Authority, households will be notified of their children's eligibility for free benefits based on their participation in the SNAP, TANF or the FDPIR programs. No application is necessary if the household was notified by the SFA their children have been directly certified. If the household is not sure if their children have been directly certified, the household should contact the school.

Other Source Categorical Eligibility: When known to the School Food Authority, households will be notified of any child's eligibility for free eligibility benefits based on the individual child's designation as Other Source Categorically Eligible, as defined by law. Children are determined Other Source Categorically Eligible if they are Homeless, Migrant, Runaway, a foster child, or Enrolled in Head Start or an eligible pre-kindergarten program.

Foster children that are under the legal responsibility of a foster care agency or court, are eligible for free benefits. Any foster child in the household is eligible for free eligibility benefits regardless of income. A separate application for a foster child is no longer necessary. Foster children may also be included as a member of the foster family if the foster family chooses to also apply for benefits for other children. Including children in foster care as household members may help other children in the household qualify for benefits. If non-foster children in a foster family are not eligible for free or reduced-price meal benefits, an eligible foster child will still receive free benefits.

If children or households receive benefits under Assistance Programs or Other Source Categorically Eligible Programs and are not listed on the notice of eligibility and are not notified by the School Food Authority of their free meal benefits, the parent or guardian should contact the school or should submit an income application.

Other Households: Households may complete the Application for Free and Reduced-Price School Meals/Milk sent home with the letter to parents. One application for all children in the household should be submitted. Additional copies are available at the principal's office in each school. **Applications may be submitted any time during the school year to Lisa Holliday. Please contact her at (716) 676-8017 with any questions regarding the application process.**

Households notified of their children's eligibility must contact the School Food Authority if they choose to decline the free eligibility benefits. Households may apply for benefits at any time throughout the school year. Children of parents or guardians who become unemployed or experience a financial hardship mid-year may become eligible for free and reduced-price eligibility at any point during the school year.

Children in households receiving Women, Infants and Children (WIC) benefits may be eligible for free or reduced-price eligibility through the application process.

For up to 30 operating days into the new school year (or until a new eligibility determination is made, whichever comes first) an individual child's free or reduced-price eligibility status from the previous year will continue within the same School Food Authority.

The information provided on the application will be confidential and will be used for determining eligibility. The names and eligibility status of participants may also be used for the allocation of funds to federal education programs such as Title I and National Assessment of Educational Progress (NAEP), State health or State education programs, provided the State agency or local education agency administers the programs, and for federal, State or local means-tested nutrition programs with eligibility standards comparable to the NSLP. Eligibility information may also be released to programs authorized under the National School Lunch Act (NSLA) or the Child Nutrition Act (CNA). The release of information to any program or entity not specifically authorized by the NSLA will require a written consent statement from the parent or guardian.

The School Food Authority does, however, have the right to verify at any time during the school year the information on the application.

Under the provisions of the policy, the designated official will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the designated official, he/she may make a request either orally or in writing for a hearing to appeal the decision, **Robert Hirsch, HS Principal**, whose address is: 31 N. Main Street, Franklinville, NY 14737, has been designated as the Hearing Official. Hearing procedures are outlined in the policy. However, prior to initiating the hearing procedure, the parent or School Food Authority may request a conference to provide an opportunity for the parent and official to discuss the situation, present information, and obtain an explanation of the data submitted in the application or the decisions rendered. The request for a conference shall not in any way prejudice or diminish the right to a fair hearing.

Only complete applications can be approved. This includes complete and accurate information regarding: the SNAP, TANF, or FDPIR case number; the names of all household members; on an income application, the last four digits of the social security number of the person who signs the form or an indication that the adult does not have one, and the amount and source of income received by each household member. In addition, the parent or guardian must sign the application form, certifying the information is true and correct.

In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, national origin, age, disability or limited English proficiency.

Nondiscrimination Statement: This explains what to do if you believe you have been treated unfairly.

In accordance with federal civil rights law and USDA civil rights regulations and policies, the USDA, its agencies, offices, employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the state or local agency that administers the program or contact USDA through the Telecommunications Relay Service at 711 (voice and TTY). Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at How to File a Program Discrimination Complaint and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

PARENTS' "RIGHT TO KNOW" ADVISORY

Under the federal No Child Left Behind legislation (latest reauthorization of the Elementary and Secondary Education Act), parents are required to be given several official notifications:

1. Parents may request information regarding the qualifications of their child's Title I teachers and paraprofessional staff. Parents may request specific information as to the following: ["Title I" Teachers are those supported by Federal Title I funds]

- whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;

- whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;

- the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree, and

- whether the child is provided services by paraprofessionals, and, if so, the qualifications of that paraprofessional (assistant).

2. Section 9528(a)(1) of the legislation requires that each school district receiving Title I funds under No Child Left Behind shall provide, on a request made by military recruiters or an institution of higher education, access to secondary school students' names, addresses and telephone listings.

- A student or a parent may request that such information not be released without prior written parental consent. In order to make such a request, please contact the high school guidance office at 676-8013 for further information. If you do not wish to have your student's information released to the military or to colleges without your expressed permission, you must send a signed, written statement to that effect to the high school guidance office at the beginning of the school year.

Christmas Spirit is in Need of Your Help!

Christmas Spirit is a nonprofit organization made up of volunteer members of the Franklinville Faculty and Staff. Each holiday season, we provide gifts to children in the Franklinville Central School District whose families may benefit from a little extra support.

This program is made possible entirely through the generosity of donations from our community. While our greatest need is during the holiday season, donations are appreciated all year long.

We gratefully accept:

- New books for children of all ages
- New hats, gloves, and mittens

- Wrapping paper and tape
- Monetary donations of any amount to help purchase gifts

If you would like to support Christmas Spirit, please contact any school office. Donations may be sent to:

Franklinville High School
attn. Jill Haskins
31 N. Main St.
Franklinville, NY 14737

Checks can be made payable to "Christmas Spirit 2026 donations."

Please help us make this holiday season a happy one for every Franklinville area family. Thank you for your generosity.

Head Start is recruiting for Fall 2026 enrollment! We will have a maximum of 10 spots available.

Applications are available at the

Franklinville Elementary School office, or can be mailed or emailed. We are accepting children 3 (by Sept 1st)

and 4 years of age (by December 1st). A current physical and up to date immunization record, along with a birth certificate are needed. You will also need to provide proof of income (W2, last 4 paystubs, letter of self-employment, unemployment or disability, stating monthly total received) for any parents in the household OR proof of receiving the following automatic qualifiers: TANF, SSI (for any family member living in the home)

SNAP, Foster Parent letter or if you are a family experiencing homelessness, a brief written statement can be used also.

Please call/text Aimee Stanbro @ 716-474-1807 or email astanbro@tbafcs.org for more information. Please understand that while we do our best to help secure enrollment, we are a federally funded program and must follow approved income guidelines.

Safe Swimming

Tips for Everyone

- Always swim with someone else and keep an eye on each other.
- Pay extra attention to your children around water.
- Consider your health. Medical conditions like a seizure disorder or heart condition can put people at greater risk of drowning.
- Avoid water that is greater than chest deep if you can't swim.
- Don't use alcohol or drugs if you plan to swim.
- Don't dive into water less than eight feet deep or of unknown depth.
- Pay attention to the weather and never swim during storms or lightning.
- The safest place to swim is at a public beach or at a pool with lifeguards.

Know the Signs of Drowning

Each year, hundreds of New Yorkers drown. It can happen to anyone, anywhere there is water. Drowning occurs quickly and silently. Someone drowning may appear to be splashing or waving when they are struggling to stay afloat.

Reduce your risk. Learn basic swimming skills. Consider taking a CPR class. Rescue breathing, first aid, and calling 911 could save a life.

Keep Kids Safe

Kids and teens have the greatest risk of drowning. Always keep little ones within arm's reach, even in the shallow end.

Lifeguards and life jackets don't take the place of close adult supervision. Make sure your pool has a secure enclosure that makes it inaccessible to children.

Stay Healthy

Germs can spread through water. Avoid getting sick by not swallowing water, and rinsing off before and after you swim. Never swim in cloudy or discolored water.

Stay out of the water if you are sick with diarrhea, or if you have open cuts or wounds. Don't pee or poop in the water. Take children on frequent bathroom breaks.

When Boating

Always follow safe boating practices and wear a U.S. Coast Guard-approved (I-III label) life jacket. Air-filled swimming aids, like water wings and floats, should never be used.

DISTRICT CENSUS OF CHILDREN WITH DISABILITIES

The Board of Education of every school district must locate and identify all children with disabilities from birth to 21 years of age who reside in the school district. A register of all such children with a disability must be maintained and revised annually by the Committee on Special Education (CSE) and the Committee on Preschool Special Education (CPSE).

Since the general education census is required only every two years, it would be a great help to the District CSE/CPSE if parents and/or guardians would provide the following information on any pre-school age child (birth through four years old) who they suspect may have some type of disability – whether physical, mental, or developmental.

If you suspect your preschool-aged child (birth to four years old) may have a disability, no matter how slight or how severe, please fill out the form below and return it to:

VARSITY GIRLS' SOCCER

by Coach Wangelin

The Lady Panther varsity soccer team will begin practice on August 24th, looking to build on the strides they made last season. Regular play begins on September 1st with a non-league match at Holland. League play will begin on Thursday, September 10th at Salamanca. We will play league matches, home and home, with Salamanca, Ellicottville, Catt-Little Valley, Pine Valley, and Randolph. Our non-league matches include 2 with Holland and JFK, and one each with Mt. Morris and CSAT. We do not get a free trip to the Far West Regionals this year, as we are now a class "C" team with a full sectional playoff to get through at the end of the season.

We are returning most of last year's

team, having lost just 3 seniors, reason for optimism heading into this fall. We are also looking forward to having our starting goalie, Taylor Chase, back for an entire season. She is one of 4 seniors on the squad who will be looked to for their leadership as well as excellent play, along with Carlie Aultman, Addisyn Killingbeck, and Alayna Spittler. Our Offensive and Defensive MVPs from last year, Mya Sullivan, and Addison Chamberlain also return to provide scoring and all-around solid play. Sophomore Grace Cornell will be counted on to anchor our mid-field, as she continues to grow every year.

We look forward to an exciting and successful season, and hope to see you on the pitch, cheering the ladies on!

TITANS FOOTBALL
