**Exception for certain events for the Massie Heritage Center and the Oatland Island Wildlife Center**

The Superintendent or his/her designee shall have the authority to approve or deny requests for Exception to Policy associated with non-school related events held at the Massie Heritage Center and/or the Oatland Island Wildlife Center where beer and wine are to be served. The Superintendent, in his or her sole discretion, may deny any request.

The General Assembly has provided (§ 3-3-21.1) that with a few exceptions, "no person shall possess any alcoholic beverages upon the grounds or within any structure of a public elementary school; public high school; or public trade, vocational, or industrial school."  No person shall sell or offer to sell any distilled spirits within 200 yards of any school building, educational building, school grounds, or college campus; or any wine or malt beverages within 100 yards of any school building, school grounds, or college campus. (§ 3-3-21)

 No students or anyone under the age of 21 will be present at the event

 Only beer and wine will be served (no mixed drinks/distilled spirits)

 Event requestors will be responsible for all aspects of their event, to include obtaining any required city/state licenses or permits, set up, tear down, serving, handling, and transport of any alcoholic beverages

 Event requestors will indemnify the district for any claims which may arise associated with their event
