Summer 2026 Implementation Progress
Cooling Rooms

Objective: Establish at least one cooling room (using window units in libraries or admin offices) at elementary sites lacking existing AC.

All work launched by OUSD Building & Grounds team.

- **Completed (11):** Allendale, Bella Vista, Carl B. Munck, Cleveland, Fruitvale, Grass Valley, Global Family, Lockwood STEAM, Melrose Leadership, Montclair, and Redwood Heights.
- **In Progress (15):** Acorn Woodland, Burckhalter, Crocker, Encompass Academy, Glenview, Howard, Kaiser, Laurel, Lincoln, Horace Mann, Markham, Parker, Piedmont, Think College Now, and Washington.
- **Future***:* Potential expansion throughout 2026–27.

Early Observations: Most facilities require electrical assessments and upgrades to accommodate these systems.

Window HVAC Units
