At Waccamaw Elementary, we foster a culture of LISTENERS, LEARNERS, and LEADERS to become contributing members of our community and society. We strive to demonstrate THE WACCAMAW WAY, every day.

The mission of Waccamaw Elementary School, a diverse and growing community of unique individuals, is to ensure that each child will experience optimal social, emotional, academic, and physical success through a challenging and progressive child-centered educational program in a safe and healthy learning environment.

SIC Annual Report to Parents

Purpose of the Report

"This Report is issued by Waccamaw Elementary School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year."

This year at Waccamaw Elementary School, our theme, Stronger Together, truly came to life through the incredible support of our students, families, staff, and community partners. Our SIC, PTO, and many community organizations continue to play an important role in supporting our school family.

Our amazing Parent Teacher Organization (PTO) sponsors memorable activities throughout the year, including spirit shirts for all students and staff, Winter Wonderland, field days, & staff appreciation lunches.

Through Title I funding, WES offers parent workshops and family engagement opportunities that provide families with strategies and resources to support learning at home. This year, we celebrated strong participation in events such as our first-ever Once Upon a Night: A Literacy Adventure, where stories and fairy tales came to life. We also hosted a highly successful Ugnite the Night: A STEAM Adventure featuring over 30 community vendors and businesses providing hands-on learning experiences for students and families.

At Waccamaw Elementary, we know there are no small parts when it comes to student success. By working Stronger Together, we continue to create meaningful experiences and opportunities for every child.

SCHOOL REPORT CARD

One of our past SIC projects, the Butterfly Garden, and WES Garden Club earned statewide recognition in collaboration with the Iris Garden Club of Conway. WES proudly received 🥇 First Place among medium-sized clubs for the Pollinator Award at the South Carolina State Garden Club Convention. This achievement reflects the dedication of our students, staff, and community volunteers working together to make a difference.
