Admission Season is Already Here!

Over the past several years, Episcopal Collegiate has experienced continued growth in both inquiries and applications. At the same time, we remain intentional about class size so that our students are known, supported, and able to fully engage in all that an Episcopal education offers.

With that in mind, we encourage current families considering Episcopal for a sibling in the 2027–28 school year to begin the admission process early. Submitting an application is an important first step and allows our Admission team to work alongside your family as we move into our fall observation and shadow season.

Upcoming Admission Dates:

- Kindergarten Observations: November 2–5
- Pre-K4 Observations: November 9–12
- Pre-K3 Observations: November 17 & 19
- Grades 1–12 Shadow Visits: Beginning after October 23
- Early Admission Decisions: November 20

While an application does not guarantee admission, we want to make sure our current families are aware of the timeline and have every opportunity to complete the process as interest in Episcopal continues to grow.

We are grateful to have your family as part of the Episcopal Collegiate community and would be delighted to help you explore Episcopal for another child in your family. If you have any questions or would like guidance on next steps, please contact Director of Admissions Mary Jane Briggs at **mjbriggs@episcopalcollegiate.org** or Associate Director of Admissions Mahlon Martin at **mmartin@episcopalcollegiate.org**.

Lunch Visit Guidelines

Parents are always welcome to join their children during their designated lunch time. If you would like to bring a special lunch for your child, we simply ask that you bring it only for your child. When lunches are brought for multiple students, it can unintentionally lead to hurt feelings for those who are not included and can also create concerns related to food allergies. Thank you for helping us make lunchtime a welcoming and inclusive experience for all of our students, while also helping us keep their safety in mind.

A Note from Dr. McCormick

Dear Families,

Last Saturday, and together with Mr. Stalls, Ms. Agee, Ms. Corker, and Mrs. Ghasedi, I had the opportunity to participate in a service learning experience with 15 eighth grade students. This was part of a new, middle school initiative, where we are building service and experiential learning experiences into our eighth grade program to bridge what our fifth grade students are doing with Mr. Daniel and Mr. Stalls' upper school entrepreneurship program. We met at Allsop Park, where we saw old maps and pictures of the park from its earliest configurations. We then took trash bags and gloves and picked up trash throughout the park for around 45 minutes. At that time, we walked up through the park to the promenade, where we were introduced to Frances Carner, a woman recommended to us by parks and recreation and is writing a book about the history of Allsop Park! She told us a number of interesting things about the park, how it was designed by a landscape architect from Boston who designed parks all over the United States, and how Mr. Allsop got his name associated with the park. She also told us some amazing "ghost stories" related to the house in Hillcrest in which she grew up. Following Frances' informative 30-minute talk, we concluded our "hike" by having lunch at Hill Station. All in all, it was an awesome way to both serve the community and learn something about the place we were serving!

Cottonwood House Victorious in First Quarter
Despite Oak house's exciting victory in our culminating first quarter house competition - dodgeball, and a furious charge by Cypress House at the end of the quarter, Cottonwood House held onto first place for the full nine weeks! The points now reset for the second quarter, so hope springs eternal! Your child will keep you posted.

Middle School Author Visit

We are excited to welcome award-winning author Andrea L. Rogers to the Middle School on November 6! Andrea has written several acclaimed books for young readers and is an enrolled citizen of the Cherokee Nation.

Students may also purchase one of Andrea's books through our partnership with Sammy's Bookshelf, and Andrea will sign all books during her visit. Book order forms will be sent home Tuesday, October 6, and are due back **Tuesday, October 13**. Schedule your Child's Fall Conference Here - Friday, October 16

Friday, October 16, is family-student-advisor conference day in the Upper School. We will not hold classes, but students will participate in their mandatory 30-minute conferences with their families and advisors. We ask that at least one parent or guardian join each student for their conference. Conference Day gives you, your child, and your child's advisor the opportunity to reflect on and discuss your child's whole-school experience, including academics, extracurriculars, social fit, and more. Conferences deepen your child's growth and our collaboration with you.

To schedule your family's conference with your child's advisor, you must sign in to your **Veracross parent portal** (be sure not to use an old link). Once you sign in, you will see the button to sign up for conferences on the lower right-hand side of your home page. Follow the prompts to register for your conference. If you have technical issues with the portal, please contact Registrar Julie Fitz. If you can't schedule a conference on October 16 because convenient time slots are booked, please reach out to your child's advisor directly to schedule an alternate meeting time.

Youth Leadership Opportunity [From Mr. Saoud]

As part of the offerings available through our Interact Club, all juniors and sophomores have the ability to apply for RYLA: Rotary Youth Leadership Awards. This is a 3-day retreat in November that helps develop students' leadership abilities. You can find more information about the program here: **https://ryla6150.org/**

This is a really cool opportunity for students interested in further developing their leadership skills, broadening their high school experience, building their resume for college applications, etc. Students will miss one day of school (Nov. 6th), and the conference will take place at the 4-H Center in West Little Rock.

Interested students should respond directly to Mr. Saoud for more information. Applications will be due when we return from Fall break.

Order your Homecoming Florals from Fairytale Floral

Fairytale Floral is partnering with us for Homecoming this year! They will be creating boutonnieres, corsages, and nosegays for students to order for the dance.

To place an order, please call Fairytale Floral at (501) 753-8393. When ordering, be sure to let them know you are ordering for Episcopal Collegiate so they know to deliver your order to the school.

All orders will be delivered to school on Friday, October 23, so Upper School students can take their flowers home and have them ready for the dance on Saturday!

Contact Us if Your Child is Absent, Late, or Checking Out

Parents, if your child is absent, arriving late to school for any reason, or needs to check out during the school day, you must contact the School and let us know. If your child is absent, please call the Main Office at 501-372-1194 ext. 3 and leave a detailed message, or email Selby Boyd at **sboyd@episcopalcollegiate.org**. Upper School students are expected to communicate any known absences in advance with their teachers, coaches, and advisor.

Planned Absences

Parents should submit a written request for a planned absence to the Upper School Dean of Students, Grace Self, at **gself@episcopalcollegiate.org** at least one week before the absence, explaining the reason and the dates the student will be away from school. Ms. Self will provide students with a Planned Absence Form for their teachers to sign. Once the student has collected the signatures, they may return the form to Ms. Self.

Vine & Village Service Trips

For the fifth consecutive year, all Upper School students will participate in community service at **Vine and Village**, which operates a weekly food pantry in the University neighborhood each Tuesday. They feed hundreds of families a month, providing weeks' worth of shelf-stable, frozen, and fresh groceries. Led by Episcopal faculty advisors and administrators, our student groups help set up the food distribution, greet clients, and load cars. It's a good way for us to express our values of Respect, Reverence, and Responsibility by assisting our neighbors in need.

Every student will serve at least once at Vine and Village. The trip will count as two hours toward their service-hour requirement.

A Note from our Librarian (Student Tech Cards)

Dear Episcopal Collegiate School Families,

Episcopal Collegiate School is continuing our partnership with the Central Arkansas Library System (CALS) through the Tech Card Project. Tech Cards give our students access to digital reading, research, and educational resources both at school and at home, including research databases, eBooks, audiobooks, magazines, language-learning programs, and more!

Students can access these resources through the CALS Student Portal at **www.cals.org/student-portal**. Students can access their Tech Card number on Canvas. Some resources require a PIN; the PIN for all student Tech Cards is 1234.

Parents and caregivers can customize their child's content settings in Libby using Content Controls. No action is required to continue using the existing settings.

To adjust these settings, add your student's Tech Card and PIN (1234) to Libby, then:

1. Open the Libby menu and select Settings.
2. Select Content Controls.
3. Adjust settings for your student.

Settings must be applied on each device the student uses.

Please note that Tech Cards provide access to digital resources only and cannot be used to check out physical materials from CALS locations. Families may apply separately for a CALS library card to borrow physical materials. If you have questions about your student's Tech Card or need help accessing these resources, please reach out to me. You may also direct questions about the CALS Tech Card program to Amanda Orgel, CALS Youth Services Coordinator, at (501) 918-3049 or **outreach@cals.org**.

Sincerely,
Jennifer Agee
