

Students, you are in the final stretch of high school, stay focused on your goals. The High School and Beyond Plan (HSBP) is a Washington State graduation requirement that can help you get the most out of high school, so you graduate confident and ready for your next step.

You have been working on your HSBP for a while, this is an important year to start putting your plans into action by exploring your interests and applying for scholarships. The checklist is designed to help you stay on track and achieve your goals.

Remember, this is your plan, but the staff at your school are ready to support and guide you along the way. If you are feeling behind, confused, or stressed, please reach out to your school advisor or counselor.
