

Students, you are now settled into high school, keep looking to your future. The High School and Beyond Plan (HSBP) is a Washington State graduation requirement that can help you get the most out of high school, so you graduate confident and ready for your next step.

As you progress through high school additional items are added to the checklist to help you stay on track and achieve your goals.

Students, this is your plan, but the staff at your school are ready to support and guide you along the way. For questions or guidance reach out to your school advisor or counselor.
