

Ensure that all [NM School DASH Plan Quality Indicators](#) are met for Component 5 -- Build a 90-day Plan  
SCHOOL NAME Fall Plan 2025

| Focus Area 1                                                          |            |
|-----------------------------------------------------------------------|------------|
| Layer 1 Instruction/interventions (required for all schools)          | Graduation |
| <b>DESIRED OUTCOME</b><br><b>*identified change in adult behavior</b> |            |

100% of all teachers will implement a minimum of circle connection to build community, sense of belonging, positive relationships and self-efficacy (by connecting with positive relationships, content will go faster) once a week as measured by skills, habits and mindsets, informal observations/ canvas walkthroughs, and PLC minutes.

| PROGRESS INDICATORS                                  |                                                   |                                                                                                                                                                                                                                                                                                      |                                                                                                                |                                                                               |                                                                                              |
