Summer 2026 Implementation Progress
Window Films

Objective: 2nd-story campuses with highest solar gain. Operations coordinated with principals to avoid summer disruption.

Status:

- **Completed (3):** Chabot, East Oakland Pride, Sequoia
- **In Progress (5):** Laurel, Hoover, Bridges Academy, Stonehurst, Cleveland
- **Upcoming (1):** Horace Mann

Early Observations:

1. Film provides an additional security benefit
2. Installation methods vary by window type:
    - **Glass:** Simple, one-step installation.
    - **Plexiglass:** Requires 2-coat preparation process with cure time.
