
District Goal: WE empower all students to achieve post-high school success.

OSAA Athletic and Activity Eligibility Guidelines for Early College Students

To maintain Oregon School Activities Association (OSAA) participation while attending Early College High School (ECHS), all students must maintain a minimum enrollment of 12 to 16 credits per term to remain full-time.

Students and parents/guardians, please read the information below very carefully. Your signature will indicate an understanding of your responsibility to demonstrate and maintain athletic eligibility to Early College staff, your high school coaches/advisors, and athletic directors at your home high school. I agree to:

- Enroll in 12-16 PCC credit hours per term at PCC:
 - During the athletic/activity season, and
 - Every term (fall, winter, spring) at PCC
- Provide this signed form, documenting my enrollment in 12-16 PCC credit hours, to my high school athletic director's office before the start of my sports season. This may be before PCC classes begin for the Fall Term.
- Notify the Early College administrator, who will, in turn, notify my athletic coach/activity advisor and high school athletic director if, at any time during the term, I withdraw from a class or fall below the 12-16 credit hour enrollment. I understand that the Early College Program will immediately notify the Athletic Director to inform them of the change in my academic and eligibility status.
- Notify the Early College administration if, at any point in the term at PCC, I receive a Course Progress Notification (CPN) or verbal notification from my instructors that I am failing their class. I understand that at that point, I will be ineligible to participate and will be withdrawn from my team or activity.

Credit conversion:	PCC credit hours	High School Equivalent
	1 credit	.25
	1 credit PE only	.50
	2, 3, or 4 credits	.50
	5 or 6 credits	1.00
