WHO WE ARE

The Synergy Project Street Outreach Program aims to support homeless or housing-unstable youth, ages 18 through 24, across both Lehigh and Northampton counties. The program's objective is to reach out to young people and meet them where they are at.

Synergy teams canvas transportation centers, encampments, abandoned buildings, and other community spaces to provide immediate support, basic needs items, and warm handoffs to stable housing resources.

WHAT WE DO

We meet youth experiencing homelessness directly in their environment to build trust and deliver immediate essentials like food, clothing, sleeping bags, tents, bus tickets and hygiene supplies. One on one support from Synergy staff serves as a vital bridge, connecting youth to healthcare, case management, shelters and much more.
