

Vermilion Local Schools
American Rescue Plan

HANDWASHING/SANITATION:

- Upon entry into a classroom/building, students will have access to hand sanitizer.
- Students will have assigned seats.
- Students will share materials as needed or they will be wiped down between uses
- Student work area will be cleaned throughout the day as activities frequently.

DISTANCING

- Classrooms will be set-up for 3-6 feet of distance between students when feasible.

FACE COVERINGS/MASKS

- Masks and face coverings are highly recommended inside our school buildings, but optional for staff and students. Masks and face coverings are required to be worn on school transportation for adults and students.
- Extra masks are available for students/staff who would like one in each building.
- Extra masks will be provided by the bus driver if a student forgot theirs.

LUNCH:

- Assigned seating at lunch.
- Students will have access to hand sanitizer before and after lunch.

VISITORS:

- Visitors are limited.
- Meetings will be held virtually whenever possible.

HEALTHY FACILITIES:

- Nightly cleaning with spray disinfectant of all the buildings.
- Frequent cleaning of desks and high-touch surfaces.
- New filters purchased and installed in all 3 buildings for better ventilation.

HEALTH SCREENING:

- Parents should evaluate students for the symptoms listed on the document from the Health Department each day.
- If your child has these symptoms they should **remain home** until the symptoms improve and the student has been **24 hour fever free without fever reducing medicine.**

- If your student arrives at school with or develops these symptoms they will be sent home.

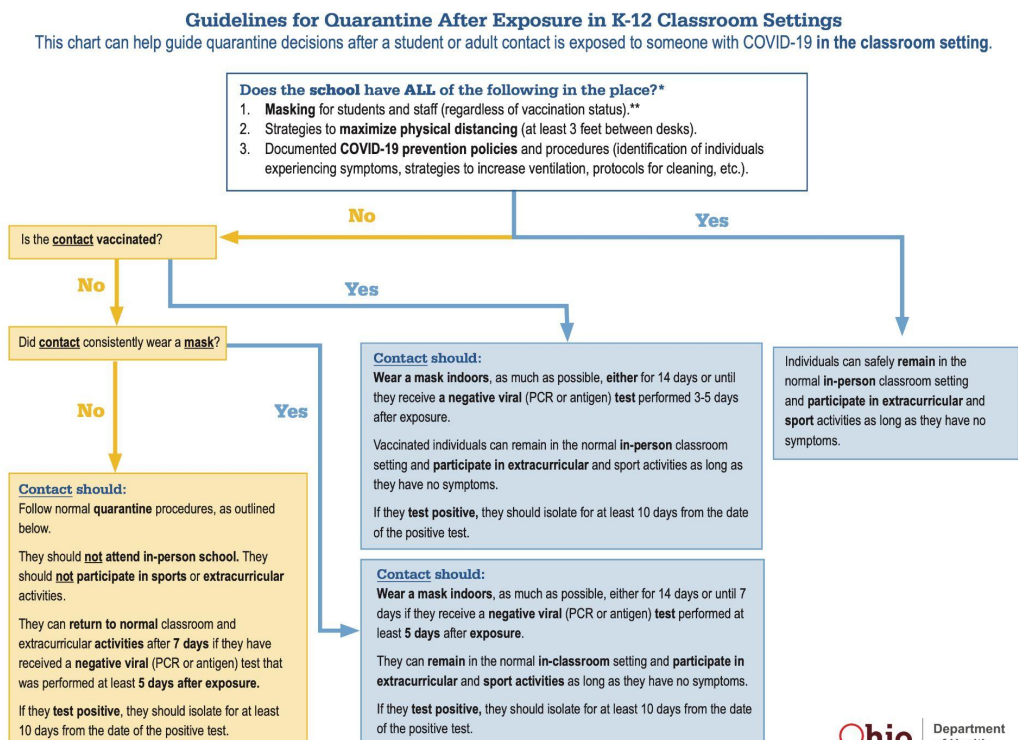

OTHER SAFETY PRECAUTIONS:

- A room separate from the school clinic has been designated for **students or staff who show common symptoms of COVID-19 or have a temperature above 100.4** while at school. This will be called our **Care Room**.
- The Care Room has its own Google Form that needs completed before they can come to the office.
- Students are encouraged to bring their own water bottles as drinking directly from fountains will be closed.
- Water bottles are to have names on them and be taken home daily.

CONTACT TRACING:

- Once it has been determined that a student or staff has been a confirmed positive case they will be placed on quarantine by the health department.
- Building administrators with the assistance of the school nurse will contact trace following guidelines provided by the Erie County Health Department.
- If a student has been identified as a close contact their name will be submitted to the health and school personnel will contact families.

DECISION FRAMEWORK FOR STUDENTS WITH ILLNESS/SYMPTOMS:

*This flowchart applies only to COVID-19 exposures that occurred within a K-12 classroom setting. It is not applicable to exposure in the community, extracurricular, or sports environment.
**The person who tested positive for COVID-19 should follow standard isolation procedures.

VACCINATIONS:

- The district provided staff an opportunity to be vaccinated in collaboration with the Erie County Health Department and the school-based health center.
- Students older than 12 years of age are able to become vaccinated through the school-based health center located in the high school building starting in May 2021.

ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES:

- Accommodations for students with disabilities are determined at an IEP team meeting.

CONTINUUM OF LEARNING PLAN:

- https://docs.google.com/document/d/1oK6oUM_6qvk9FFDzWkUfN30fL3sa4SuqgzNeqF-WvI0/edit?usp=sharing
- Food Service - Breakfast and lunch are provided during remote, hybrid and face to face learning.

PERIODIC REVIEW OF PLAN:

- AUGUST 2020
- JANUARY 2021
- JUNE 2021
- SEPTEMBER 2021
- DECEMBER 2021

PUBLIC INPUT:

- Town Hall meetings held via Zoom/You-Tube with the public every 2 weeks for input starting in September 2020-December 2020.
- Parent survey conducted in spring of 2021
- Monthly and special board meetings
